Visiting Assistant Professor: Exercise Science

Kentucky Wesleyan College’s Kinesiology and Health Promotion program (www.kwc.edu/khp) is seeking a Visiting Assistant Professor who is dedicated to creative teaching, student engagement, and the cultivation of critical thinking skills and dispositions. This is a one year position, with the possibility of a second year.

Responsibilities and Duties:

The teaching load is four courses each semester within the three programs of study: Exercise Science, Fitness and Sports Management, and P - 12 Teacher Certification. Additional academic responsibilities include serving as an academic advisor. Courses to be taught may include Exercise Science, Exercise Assessment and Prescription, Facilitating Behavior Change, Physical Activity Programming, Advanced Exercise Physiology, Nutrition for Health and Human Performance, Health Topics, Fitness and Wellness, and overseeing practicums.

Minimum Qualifications include:

- An MS in Exercise Science (PhD/ABD preferred) or a related field.
- A strong commitment to teaching, mentoring, and working with undergraduate students and a passion for providing an exceptional classroom experience for our students.
- A desire to be of service to the college and to the external community.
- Effective communication skills.
- Ability to work collaboratively.

To Apply:

Applicants should submit a letter of interest, a detailed vitae listing qualifications and experience, transcripts, and names and contact information of references to Dr. Linda Keller, Director of Human Resources (lkeller@kwc.edu). Application review will begin immediately and continue until the position is filled.
