WHO WE ARE

MISSION STATEMENT

Kentucky Wesleyan College, in partnership with the United Methodist Church, fosters a liberal arts education that nourishes and prepares students intellectually, spiritually and physically to achieve success in life.

KENTUCKY WESLEYAN COLLEGE HISTORY

The dream of an institution of higher learning held by Methodists from the first days of settlement in Kentucky came to fruition in 1858 when the Kentucky Conference of the Methodist Episcopal Church, South, voted to found a college at Millersburg. Classes began in 1866, after peace was restored following the Civil War, and the first commencement was in 1868. Begun as a training school for preachers, the curriculum expanded rapidly to include a solid basis of instruction in the liberal arts. Business classes were added when a demand for this instruction was identified. By the 1880s half of the alumni were employed as either teachers or businessmen.

Millersburg, located on a branch line railroad, proved too remote for effective student access. In 1890 the College moved to Winchester, in Clark County, which was served by two major rail lines. A fund drive resulted in money for new buildings, and the faculty from Millersburg settled into the hospitable environment of the college’s new home. The early Winchester years saw other major changes as well. The first women were admitted as students in the early 1890s, a pioneering step for Kentucky Wesleyan College, which became one of the first institutions of higher learning in the Commonwealth to permit co-education. Intercollegiate athletics also became a part of the Wesleyan scene with competitions in football, baseball and basketball, as well as a broad program of intramural sports for both men and women.

A Wesleyan tradition was born in 1905 when the main College building was destroyed by fire. One of the limestone ornaments that decorated the facade fell to earth, but remained intact. This bust of Minerva, the Roman goddess of wisdom, became a symbol of the Wesleyan spirit. Today it is mounted in a prominent place on the Owensboro campus and it is a focal point for many Wesleyan student activities.

Wesleyan secured full accreditation by the Southern Association of Colleges and Schools in 1947. Increasingly Wesleyan graduates were making their mark in the graduate and professional schools of the region. The strong curriculum in business and liberal arts was expanded to include major programs in pre-professional areas. Wesleyan earned an enviable reputation for the many students sent to medical, dental, law and graduate schools. The concept of the Wesleyan Spirit was strengthened with the founding of the Order of the Oak and Ivy in 1955 to honor students with outstanding academic and campus service careers.

The year 2000 started off with a bang as the Owensboro campus was severely damaged by an F3 tornado on Jan. 3. True to the college’s spirit, the campus community looked for the silver lining and took the opportunity to improve campus by repairing and/or replacing damaged buildings to make the physical plant even better than before. Wesleyan continues to be a place filled with spirit and determination.
STANDARDS OF A CHRISTIAN COLLEGE

People never rise higher than their ideals. Standards of conduct are governed by the ideals that dominate human thoughts. This is true of institutions as well as individuals. Kentucky Wesleyan College encourages each of her students to be governed by the ideals derived from the Christian faith. This does not mean that all must think exactly alike or believe exactly the same things. The Christian community has room for many different ideals but there are some standards of thought and action that are common to all Christian people, and which ought to characterize the relationship in this academic community.

Proper regard for the personalities of other people requires us to be honest, truthful, dependable, trustworthy, tolerant, loyal and reverent. These qualities are expected in the lives of all our students. Only as we live by these standards can we hope to live successfully in a Christian college community. Conduct not befitting these standards will be considered sufficient basis upon which to ask a member of our College community to discontinue his or her relationship with us.

Members of the Wesleyan community, both students and faculty, are expected to maintain the highest standards of Christian life in their daily activities.

ALMA MATER

On the city’s southern border
Reared against the sky
Proudly stands our Alma Mater
As the years go by
Forward ever be our watchword
Conquer and prevail
Hail to thee, our Alma Mater
Wesleyan, All Hail
Loyal be her sons and daughters
Ever in the strife
Always true to one another
Till the end of life
Forward ever be our watchword
Conquer and prevail
Hail to thee, our Alma Mater
Wesleyan, All Hail

FIGHT SONG

Fight Ye Panthers ole Wesleyan,
For the purple and the white,
Fight till every foe is vanquished;
Fight for victory and right - Rah! Rah! Rah!
Play the game with might and valor;
May success your efforts bless.

For the college we love the best. Rah! Rah!

**Payment Options**

*Semester payment* – If full payment of semester charges is received in the Cashier’s Office prior to the first day of class, no finance charges are incurred. Visa, Mastercard, Discover and American Express payments are accepted.

*Deferred payment* – A 1% monthly financing fee (assessed and posted monthly) is charged to ALL outstanding balances carried after the first day of classes. Any balance due after the mid-semester date is classified as delinquent.*

The current registration of delinquent accounts may be voided and preregistration for future semesters and current transcripts are not allowed. If internal collection efforts are unsuccessful, professional collection agencies will be utilized, and students are responsible for all collection costs incurred.

(*Exception – Accounts with only the amount of applicable federal college - work study funds outstanding are NOT considered delinquent, but are subject to normal finance charges.

*Monthly Payment Plan* – Tuition financing plans are available to assist students and families in meeting educational expenses by offering a low-cost, interest-free payment plan for the fall and spring semesters only. To take advantage of this option, you must complete an application and forward it to the Cashier’s Office. You will make monthly payments per the payment plan guidelines.

**NOTE:** This payment plan must be activate by the plan enrollment date and paid monthly to avoid the institutional finance charge assessed to all outstanding balances after the first day of class. Also, payment plans should be set up to pay in full the fall semester balance with the December payment and the spring semester balance with the April payment.

Please feel free to contact us at any time. We are here to assist students and their families in any way possible. If you receive an invoice or statement that appears incorrect, please notify the Cashier’s Office immediately. If you are having difficulty meeting the payment schedule, perhaps we can work together to find an appropriate solution.

*Charges* – It is the student’s responsibility to pay 100% of ALL charges assessed on their account less any financial aid awarded. Charges may include tuition, room, board, lab fees, student fees, collection fees, legal fees, etc.

**Delinquent Accounts/Re-Admission Policy**

ANY STUDENT, WHOSE ACCOUNT HAS BEEN TURNED OVER TO COLLECTIONS AT ANY POINT DURING THE LIFE OF THE ACCOUNT, WILL BE REQUIRED TO PAY IN FULL AT REGISTRATION FOR TUITION, ROOM & BOARD, AND ANY RELATED FEES TO GAIN RE-ADMISSION TO KENTUCKY WESLEYAN COLLEGE.
FINANCIAL AID

**Completed** financial aid awards are credited to the student account prior to the beginning of classes. Student and parent loan proceeds are applied to the student account upon receipt of the funds and the endorsement signature, if required.

Wesleyan is committed to helping each student meet his/her financial need, and more than 95% of our students qualify for some form of financial assistance from the college, external agency, state government, federal government, or a combination of the three.

*For maximum financial aid consideration you should complete the Free Application for Federal Student Aid (FAFSA) as soon after January 1st as possible.* Visit our Scholarship and Grant Opportunities and our Academic Scholarship Program page for more information about financial assistance.

CAMPUS SECURITY AND CRIME REPORTING

Kentucky Wesleyan College (hereinafter “Wesleyan” or the “College”) is concerned with the safety and well-being of its students and staff, and has contracted for security services to be provided by a private security agency. Uniformed security officers provide coverage during the evening and on weekends. Campus security, however, should be everyone’s concern. For the College to provide a safe campus, we must have the assistance and cooperation of each and every person at Wesleyan.

You can help yourself by helping us by always reporting suspicious people to your Resident Assistant or Resident Director, the Student Services Office, or some other College staff member. Report all broken locks, doors, windows and lights to your RA or RD or another appropriate person to Campus Security.

A few campus safety tips:
1) Do not breach security by propping open locked doors on campus buildings.
2) Always keep your room and car doors locked.
3) Don’t walk alone at night.
4) Never leave personal belongings unattended.

Students should report all incidents of campus crime (theft, assault, etc.) to their RA and RD (if they are a residential student) and the Student Services Office, as well as the Owensboro Police Department. Sexual assaults should be reported to the Title IX Officer. A complete listing of campus crime statistics is located on PantherNet and the Wesleyan website.

EMERGENCY NUMBERS

For Fire, Police or Ambulance in Emergency Situations call: 9-9-1-1 from an on-campus extension (You may experience a slight delay, but remain on the line.)

In Non-Emergency situations call:

Kentucky State Police............................................. 270-685-3927
Owensboro Police Department............................... 270-687-8888
Owensboro Fire Department................................. 270-687-8408
Kentucky Regional Poison Center......................... 1-800-222-1222

FIRE DRILL REGULATIONS

Every member of the College community should realize the responsibility for knowing what to do in case of a fire. Upon entering any building, an occupant should immediately acquaint himself with fire escape routes and become familiar with the location of fire extinguishers.

Fire drills expedite the correct procedure to follow should a real fire occur. In the event of a fire drill occupants should vacate the building as quickly as possible. Failure to evacuate the building during a fire drill may result in disciplinary action.
The most important thing to remember during a fire drill or an actual fire is to REMAIN CALM. Running and pushing can cause panic and confusion, which may result in a deadly situation. Students should walk quietly to the nearest exit, then keep walking until they are a safe distance from the building.

Use of fire extinguishers and alarms, except in cases of emergency, is strictly prohibited and will result in referral to the Student Services Office for disciplinary action and possibly to local law enforcement.

**EMERGENCY EXIT PROCEDURES FOR THE PHYSICALLY CHALLENGED**

The state fire marshal, elevator contractor and other safety personnel have been consulted to determine the best emergency exit procedures for physically challenged staff, students and guests located on upper floors of the Barnard-Jones Administration Building or the Winchester Center. The following is a summary of the information:

**Fire Exit** - Use of the Administration Building or Winchester Center elevator during a fire alarm is strictly prohibited. Everyone must use the stairwells.

Depending on the circumstances, some individuals may prefer to navigate down the stairs with their own equipment after the initial crowd has exited. Others may wish to be transported without their chairs or supporting equipment. To assist with procedure, the College has specially designed emergency exit chairs that are located on each floor of the Administration Building and the second floor of the Yu Hak Hahn Center for the Sciences. The chairs provide better security for the physically challenged individual while other individuals assist with their descent of the stairs. A demonstration of the proper use of the equipment and the opportunity to familiarize yourself with it can be made available upon request.

**Loss of Power Exit** - In the event of a power loss, the Administration Building, Hahn Center, and Winchester Center elevators do not function. However, all elevators are equipped with emergency telephones that work during a loss of power if someone is trapped in the elevator.

***Contact Dr. Leah Hoover, Director of the Office of Disability Services, at 270-852-3212 or by email at lhoover@kwc.edu if a problem occurs or if special accommodations will be necessary.***

Family Educational Rights and Privacy Act (FERPA)

A signed copy of the FERPA form must be on file in the Registrar’s Office. FERPA is a Federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children’s educational records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.

Responsibilities of Students, Faculty & the Office of Disability Services

Wesleyan is committed to equal opportunity and challenge for all academically qualified students and does not discriminate on the basis of disability. The Americans with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973 are significant federal mandates that require universities to provide reasonable and appropriate accommodations for qualified students with documented disabilities. Support services and accommodations are designed to provide students with disabilities full access to the College’s educational opportunities.

The Office of Disability Services is responsible for the general coordination of programs and services for qualified applicants for admission and enrolled students with disabilities. Eligibility for services and appropriate accom-
modations are determined by the Office of Disability Services after review of disability documentation. Frequently, collaborative discussion between the Office of Disability Services, the student, faculty and others is required to identify appropriate accommodations such as those listed below.

RESPONSIBILITY OF STUDENT:

- **Students with disabilities are responsible for ensuring that the College is aware of disabilities that require accommodation in the educational process.**
- **Students with disabilities are responsible for requesting accommodations by identifying themselves to Dr. Leah Hoover at the Office of Disability Services, presenting appropriate documentation of disability, completing a service request each semester, and requesting accommodation letters for faculty outlining specific accommodation needs.**
- **Students with disabilities are responsible for providing the accommodation letters to each faculty member.**
- **Students with disabilities are responsible for requesting accommodations in a timely manner.**
- **Students with disabilities are responsible for meeting the requirements of each class.**

If you are a student with a disability and require accommodation to participate and complete requirements for this class, notify me immediately and contact the Office of Disability Services (Admin 209A or 270-852-3212) for verification of eligibility and determination of specific accommodations.”**
- **Faculty members are responsible for requiring verification of eligibility. The standard form of verification is a letter to the faculty prepared by the Office of Disability Services.**
- **Faculty members are responsible for providing approved accommodations for eligible students. The Office of Disability Services is available for consultation about appropriate levels of accommodation and available support resources.**
- **Faculty must consult freely with the Office of Disability Services as questions and concerns arise regarding approved accommodations for each student.**

RESPONSIBILITY OF THE OFFICE OF DISABILITY SERVICES (ODS):

- **ODS is responsible for general coordination of accommodations for students with disabilities.**
- **ODS is responsible for referring students with suspected disabilities to sources of assessment, but ODS provides no diagnostic services.**
- **ODS is responsible for receipt and review of documentation of disability.**
- **ODS is responsible for determining eligibility for specific accommodations.**
- **ODS is responsible for preparation of accommodation letters. Letters are given to students who in turn share letters with faculty.**
- **ODS is responsible for discussing accommodation needs with students, faculty and others as appropriate to identify appropriate accommodations on a case-by-case basis.**
- **ODS is responsible for assisting faculty with classroom accommodation needs and provision of appropriate auxiliary aids.**
- **ODS is responsible for assisting with problem resolution as needed.**

How to Apply for Services Provided by the Office of Disability Services

- **Wesleyan is committed to equal opportunity and challenge for all academically qualified students and does not discriminate on the basis of disability. Accommodations are available to encourage students with disabilities to take full advantage of this college’s educational, social, and cultural opportunities and experiences.**
- **The Office of Disability Services is responsible for the coordination of programs and services for qualified applicants for admission and enrolled students with disabilities. Determination of eligibility for services and appropriate accommodations is determined by the Office of Disability Services and Associate Dean of the**
College, after review of documentation of disability.

- At a scheduled appointment, the Director of the Office of Disability Services will discuss the student’s request for services with the student to determine appropriate accommodations and/or consult with the faculty member or others outside the college (as deemed necessary) regarding the request.

- Questions or concerns from faculty, staff, or the student related to requested accommodations should be discussed with the Director of the Office of Disability Services informally and then be subject to informal consultation with the Academic Dean of the College. Written student complaints submitted to the Director of the Office of Disability Services will be addressed directly by the Director in writing to the sender. Matters that remain unresolved may be formally presented by the student to the Academic Dean of the College located in the Barnard Jones Administration Building by following the ADA Grievance Procedure. A complaint should be filed within 180 days after the complainant becomes aware of the alleged violation. Formal appeals include a written statement regarding the nature of the complaint, results of the informal meetings, and requested resolution. All formal appeals will be promptly investigated and a decision will be rendered within 60 working days of the date of receipt. Please contact the Office of Disability Services for additional information on the grievance procedure.

**Applying for and Requesting Support Services from the Office of Disability Services**

**Referrals** - Students and potential students are referred to the Office of Disability Services by publications such as Wesleyan application packets, schedules of classes, course syllabi and catalogs. Students are also referred by community agency personnel, Wesleyan faculty, high school guidance counselors, health care professionals, family members and others. Referrals must be made in writing. Referrals should be directed to:

Leah Hoover, Ph.D.
Director of the Office of Disability Services
Kentucky Wesleyan College
3000 Frederica Street
Faculty Office Building 20
Owensboro, KY 42303
270-852-3212

**Submitting documentation of disability** - All students seeking assistance from the Office of Disability Services must disclose the presence of a disability. In most cases, the student will be asked to submit documentation of disability for review by the Director of the Office of Disability Services. Upon receipt and review of the documentation, an intake appointment will be scheduled. Contact the Director to set up this appointment.

**Intake appointment** - After review of documentation, the Director over will contact the student to schedule an appointment with the student if the student has not already done so. At this meeting, the student’s eligibility for accommodations and anticipated needs will be discussed. Policies and procedures regarding specific accommodations, such as letters for faculty, accommodations, supplemental note-taking services, etc. will be discussed at this appointment.

**Requesting specific accommodations** - Requests for accommodations are made by completing an Accommodation Application Form found at: [www.kwc.edu](http://www.kwc.edu)

Submit the form along with a copy of the student’s class schedule to the Director of the Office of Disability Services PRIOR to the start of the semester. All forms should be turned in BEFORE the end of the first week of each semester. Accommodations are not retroactive; date of determination occurs as of the date of application. It is the responsibility of the student to request specific accommodations each semester via the Accommodation Application Form. Please remember that no accommodations can be put in place until after submission of appropriate documentation, review by the coordinator, determination of eligibility for specific services, and requests by the student for specific accommodations.

**Timeliness of requests** - Submission of accommodation requests for instructor letters, accommodation, tutors from the Student Success Center and supplemental note-taking services from the Student Success Center should generally be submitted no later than one week prior to the beginning of the term. Some accommodations (such as interpreter service and taped/CD textbooks) require much more notice and requires the submission of course schedule, textbook name, author, and ISBN number in regards to taped/CD textbooks. Although the Office of Disability Services will make reasonable effort to process all requests, untimely requests may result in delay of
accommodations.

**GRIEVANCE POLICY FOR THE OFFICE OF DISABILITY SERVICES**

Wesleyan has a continuing responsibility to monitor and address ADA compliance issues. The College does not discriminate on the basis of disability in its programs or activities. Complaints should follow the Grievance Procedure as indicated below. The Grievance Procedure is not a legal proceeding, but rather an informal process to enable the College to remedy any and all effects of alleged discrimination.

The following internal grievance procedure concerning disability services provides for prompt and equitable resolution of complaints. Complaints concerning disability services should be addressed to the Director of the Office of Disability Services, Kentucky Wesleyan College, 3000 Frederica Street, FOB 20, Owensboro, KY 42303, 270-852-3212.

To initiate or pursue a grievance based on discrimination related to the American with Disabilities Act (ADA), the following steps must be observed within 90 days of the time in which the alleged discrimination occurred. The steps are as follows:

1) The student should attempt to resolve disputes informally with either the party alleged to have committed the violation, and/or with the said party and the Director of the Office of Disability Services. If the dispute cannot be resolved informally, then the following formal resolution procedures should be followed.

2) A complaint should be filed in writing and should contain the name, address, and contact number of the person filing said complaint, as well as a brief description of the alleged violation. Upon receipt of the written complaint, the Director of the Office of Disability Services, shall acknowledge receipt within five working days.

3) A complaint should be filed with the Office of Disability Services within 90 days after the complainant becomes aware of the alleged violation.

4) An investigation, as may be appropriate, shall follow the filing of said complaint. The Office of Disability Services, along with the assistance of the Office of the Academic Dean for the College, shall conduct the investigation. This internal complaint procedure involves an informal, but thorough investigation, affording all interested persons and their representatives, if any, an opportunity to submit evidence relevant to a complaint. This investigation will be completed within 30 days of the submission of the written complaint.

5) A written determination as to the validity of the complaint and a description of the resolution, if any, shall be issued by the Office of Disability Services, in association with the Office of the Academic Dean for the College, and a copy forwarded to the complainant.

6) The Office of Disability Services shall maintain the files and records relating to the complaints filed.

7) The complainant can request a reconsideration of the case in instances where the person is dissatisfied with the resolution. This will be known as the Appeals Process. The request for reconsideration (appeal should be made within 10 working days to the Office of Disability Services. This appeal must be made in writing to the Director of the Office of Disability Services for the College at 3000 Frederica Street, FOB 20, Owensboro, KY 42303. This appeal MAY NOT be submitted via email or verbalized by phone or voicemail.

8) A decision from the Office of Disability Services, in association with the Office of the Academic Dean for the College, will be rendered within 20 days after receiving the appeal. The appeal decision is final. The student and other parties will be advised of the outcome of the appeal to the fullest extent allowed by the state and federal law.

**NOTE:** It is prohibited for any Wesleyan employee, official, or student to retaliate against or hinder the testimony of any individual because he/she has filed a complaint under this procedure or who has otherwise assisted in the investigation of a grievance. Such retaliations will be subjected to sanctions as deemed appropriate by the Office of the Academic Dean for the College.

INTRAMURALS (CAMPUS RECREATION)

The College’s intramural sports program is designed to allow each student to relax and enjoy friendly competition. Participation is the most important criteria. Intramural sports include basketball, flag football, softball, golf, tennis, bowling, ping pong, and numerous others. All activities are co-educational and provide students an opportunity to participate. New activities and programs are added as student interest dictates. A weight room equipped with Nautilus machines and free weights is available for all students in the Woodward Health and Recreation Center. Students may also utilize the exercise room located in the Winchester Campus Community Center. Also available are open gym times. One must be enrolled Full Time and be in good academic standing to compete.

Mail Room

Mailbox Assignments - All full time students (residential and commuters) are required to have a mailbox on campus. No mail will be delivered without a mailbox. Failure to secure a mailbox will result in a $25 fine and/or 10 hours community service. Mailboxes are optional for part-time students.

1. There is a **$10.00 refundable deposit** for each mailbox key to be paid during Student Life Update. After this date, the student will need to pay the deposit in the Mailroom.
2. All key deposits are refundable at the end of each academic year or at the time of withdrawal.
3. If a student loses or damages his or her original key, the student will be required to pay an additional $10.00 fee for a replacement. The student is eligible for a refund of the most recent $10.00 deposit. The Mailroom will need to be notified of any lost or damaged keys so the Postal Coordinator can track the number of duplicates that need to be made.
4. It is important to return the key to the mailroom staff at the end of the academic year, as **mailboxes will be reassigned at the beginning of each school year. Failure to turn in your mailbox key by July 1 will result in a $50 fine and forfeiture of your key deposit.**

Mail Room Capabilities

1. Hours of operation are 8:00 a.m. - 4:00 p.m.
2. Mail Room capabilities:
   a. Sell stamps
   b. Ship and receive packages (US Mail, UPS, Fed-Ex, etc.)
   c. Mail letters

   3000 Frederica Street
   Owensboro, KY 42301

   **Do NOT place mailbox number on mail**

4. When someone receives a package that will not fit in the mailbox, a “package slip” will be put in the mailbox to notify the student to pick up a package. A package slip AND picture ID will need to be shown in order to pick up a package. **No Exceptions.**
5. It is the student’s responsibility at the end of the school year or when a student leaves campus (i.e. graduate, withdraw, or go home for the summer) to notify all institutions sending mail (i.e. banks, credit card companies, magazines) of the new address. If a student requests that mail be forwarded somewhere other than the parents’ home (or other permanent address on file), he/she must contact the Postal Coordinator via e-mail.
6. The college will not be held liable for non-forwarded mail. According to the United States Postal Service (USPS), “A change of address may NOT be filed with the USPS for an individual’s mail addressed to an organization…” (USPS F020.1.4) Since the USPS considers the College an organization, this applies to our students, faculty and staff.

The Postal Coordinator may be reached at 270-852-3313.

Frequently asked questions in our office…

**Information Changes**

Life happens and change takes place. Students can change mean plans and ask about housing changes in Student Life. Students who have a change in name, off-campus address (including billing or parental address), telephone number, or marital status must, in writing, notify the Registrar’s Office of these changes. It is the responsibility of the student to ensure that the Registrar’s Office has the correct information in their personal data file. **A student’s failure to properly notify the Registrar’s Office of these changes does not excuse the student from meeting College academic deadlines or financial obligations.** Please be aware that student information changes will only be accepted from the affected student.

**Lock Outs of Residence Hall Rooms**

Students living in the residence hall are issued keys for use in the hall and their room. Sometimes students get locked out. Staff will assist students who are locked out of their room for free one time. Each time after that, when a student is locked out, they will be assessed a $25.00 fee to open the door.

**Student ID Cards**

Each new Kentucky Wesleyan College students will be issued a Student ID card during registration at no charge. Replacement cards may be issued in the Student Services Office if a card is lost. The replacement fee is $25.00. Damaged cards will be replaced at no charge if the damaged card is turned into the Student Services Office. Students will use the same Student ID card during their tenure at Kentucky Wesleyan College. The Student ID must be validated during final registration each semester.

- Student identification
- Howard Greenwell Library card
- Dining Services card
- Admission to SAPB events
- Admission to Wesleyan Players productions
- Admission to Wesleyan athletic events

RIGHTS AND RESPONSIBILITIES

JOINT STATEMENT ON RIGHTS AND FREEDOMS OF STUDENTS

In June 1967, a joint committee, comprising representatives from the American Association of University Professors, the United States National Student Association (now the United States Student Association), the Association of American Colleges, the National Association of Student Personnel Administrators, and the National Association of Women Deans and Counselors (now the National Association for Women in Education), formulated the “Joint Statement.” The joint statement was endorsed by each of its five national sponsors, as well as by a number of other professional bodies. The governing bodies of the Association of American Colleges and the American Association of University Professors, acting respectively in January and April 1990, adopted several changes in language in order to remove gender-specific references from the original text.

In September 1990 and September 1991, an interassociation task force met in Washington, D.C., to study, interpret, update, and affirm (or reaffirm) the joint statement. Members of the task force agreed that the statement has stood the test of time quite well and continues to provide an excellent set of principles for institutions of higher education. As the 25th anniversary of the joint statement approached (1992), the task force developed a set of interpretive notes to reflect changes in law and higher education that occurred after 1967. These interpretive notes are referenced within the original text.

Preamble

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Institutional procedures for achieving these purposes may vary from campus to campus, but the minimal standards of academic freedom of students outlined below are essential to any community of scholars.

Freedom to teach and freedom to learn are inseparable facts of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility.

The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community. Each college and university has a duty to develop policies and procedures, which provide and safeguard this freedom. Such policies and procedures should be developed at each institution within the framework of general standards and with the broadest possible participation of the members of the academic community. The purpose of this statement is to enumerate the essential provision for student freedom to learn.

I. Freedom of Access to Higher Education

The admissions policies of each college and university are a matter of institutional choice provided that each college and university makes clear the characteristics and expectations of students, which it considers relevant to success in the institution’s program. While church related institutions may give admission preference to students of their own persuasion, such a preference should be clearly and publicly stated. Under no circumstances should a student be barred from admission to a particular institution on the basis of race. Thus, within the limits of its facilities, each college and university should be open to all students who are qualified according to its admission standards. The facilities and services of a college or university should be open to all of its enrolled students, and institutions should use their influence to secure equal access for all students to public facilities in the local community.

II. In the Classroom

The professor in the classroom and in conference should encourage free discussion, inquiry, and expression. Student performance should be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

A. Protection of Freedom of Expression

Students should be free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.
B. Protection Against Improper Academic Evaluation

Students should have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled.

C. Protection Against Improper Disclosure

Information about student views, beliefs, and political associations, which professors acquire in the course of their work as instructors, advisers, and counselors should be considered confidential. Protection against improper disclosure is a serious professional obligation. Judgments of ability and character may be provided under appropriate circumstances, normally with the knowledge or consent of the student.

III. Student Records

Institutions should have a carefully considered policy as to the information, which should be part of a student’s permanent educational record and as to the conditions of its disclosure. To minimize the risk of improper disclosure, academic and disciplinary records should be set forth in an explicit policy statement. Transcripts of academic records should contain only information about academic status. Information from disciplinary or counseling files should not be available to unauthorized persons on campus, or to any person off campus without the express consent of the student involved except under legal compulsion or in cases where the safety of persons or property is involved. No records should be kept which reflect the political activities or beliefs of students. Provisions should also be made for periodic routine destruction of noncurrent disciplinary records. Administrative staff and faculty members should respect confidential information about students that they acquire in the course of their work.

IV. Student Affairs

In student affairs, certain standards must be maintained if the freedom of students is to be preserved.

A. Freedom of Association

- Students bring to the campus a variety of interests previously acquired and develop many new interests as members of the academic community. They should be free to organize and join associations to promote their common interests.
- The membership, policies, and actions of a student organization usually will be determined by vote of only those persons who hold bona fide membership in the college or university community.
- Affiliation with an extramural organization should not of itself disqualify a student organization from institutional recognition.
- If campus advisers are required, each organization should be free to choose its own adviser, and institutional recognition should not be withheld or withdrawn solely because of the inability of a student organization to secure an adviser. Campus advisers may advise organizations in the exercise of responsibility, but they should not have the authority to control the policy of such organization.
- Student organizations may be required to submit a statement of purpose, criteria for membership, rules of procedures, and a current list of officers. They should not be required to submit a membership list as a condition of institutional recognition.
- Campus organizations, including those affiliated with an extramural organization, should be open to all students without respect to race, creed, or national origin, except for religious qualifications, which may be required by organizations whose aims are primarily sectarian.

B. Freedom of Inquiry and Expression

- Students and student organizations should be free to examine and discuss all questions of interest to them, and to express opinions publicly and privately. They should always be free to support causes by orderly means, which do not disrupt the regular and essential operation of the institution. At the same time, it should be made clear to the academic and the larger community that in their public expressions or demonstrations, students or student organizations speak only for themselves.
- Students should be allowed to invite and to hear any person of their own choosing. Those routine procedures required by an institution before a guest speaker is invited to appear on campus should be designed only to ensure that there is orderly scheduling of facilities and adequate preparation for the event, and that the occasion is conducted in a manner appropriate to an academic community. The
institutional control of campus facilities should not be used as a device of censorship. It should be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or by the institution.

C. Student Participation in Institutional Government

As constituents of the academic community, students should be free, individually and collectively, to express either views on issues of institutional policy and on matters of general interest to the student body. The student body should have clearly defined means to participate in the formulation and application of institutional policy affecting academic and student affairs. The role of student government and both its general and specific responsibilities should be made explicit, and the actions of student government within the areas of its jurisdiction should be reviewed only through orderly and prescribed procedures.

D. Student Publications

Student publications and the student press are a valuable aid in establishing and maintaining an atmosphere of free and responsible discussion and of intellectual exploration on the campus. They are a means of bringing student concerns to the attention of the faculty and the institutional authorities and of formulating student opinion on various issues on the campus and in the world at large.

Whenever possible, the student newspaper should be an independent corporation financially and legally separate from the college or university. Where financial and legal autonomy is not possible, the institution, as the publisher of student publications, may have to bear the legal responsibility for the contents of the publications. In the delegation of editorial responsibility to students, the institution must provide sufficient editorial freedom and financial autonomy for the student publications to maintain their integrity of purpose as vehicles for free inquiry and free expression in an academic community.

Institutional authorities, in consultation with students and faculty, have a responsibility to provide written clarification of the role of the student publications, the standards to be used in their evaluation, and limitations on external control of their operation. At the same time, the editorial freedom of student editors and managers entails corollary responsibilities to be governed by the canons of responsible journalism, such as the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, and techniques of harassment and innuendo. As safeguards for the editorial freedom of student publications the following provisions are necessary.

- The student press should be free of censorship and advance approval of copy, and its editors and managers should be free to develop their own editorial policies and news coverage.
- Editors and managers of student publications should be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content. Only for proper and stated causes should editors and managers be subject to removal and then by orderly and prescribed procedures. The agency responsible for the appointment of editors and managers should be the agency responsible for their removal.
- All institutionally published and financial student publications should explicitly state on the editorial page that the opinions there expressed are not necessarily those of the college, university, or student body.

V. Off-Campus Freedom of Students

A. Exercise of Rights of Citizenship

College and university students are both citizens and members of the academic community. As citizens, students should enjoy the same freedom of speech, peaceful assembly, and right of petition that other citizens enjoy and, as members of the academic community, they are subject to the obligations, which accrue to them by virtue of this membership. Faculty members and administrative officials should ensure that institutional powers are not employed to inhibit such intellectual and personal development of students as is often promoted by their exercise of the rights of citizenship both on and off campus.

B. Institutional Authority and Civil Penalties

Activities of students may, upon occasion, result in violation of law. In such cases, institutional officials should be prepared to apprise students of legal counsel and may offer other assistance. Students who violate the law may incur penalties prescribed by civil authorities, but institutional authority should never
be used merely to duplicate the function of general laws. Only where the institution’s interests as an academic community are distinct and clearly involved should the special authority of the institution be asserted. Students who incidentally violate institutional regulations in the course of their off-campus activity, such as those relating to class attendance, should be subject to no greater penalty than would normally be imposed. Institutional action should be independent of community pressure.

VI. Procedural Standards in Disciplinary Proceedings

In developing responsible student conduct, disciplinary proceedings play a role substantially secondary to, for example, counseling, guidance, and admonition. At the same time, educational institutions have a duty and the corollary disciplinary powers to protect their educational purpose through the setting of standards of scholarship and conduct for the students who attend them and through the regulations of the use of institutional facilities. In the exceptional circumstances when the preferred means fail to resolve problems of student conduct, proper procedural safeguards should be observed to protect the student from the unfair imposition of serious penalties.

The administration of discipline should guarantee procedural fairness to an accused student. Practices in disciplinary cases may vary in formality with the gravity of the offense and the sanctions, which may be applied. They should also take into account the presence or absence of an honor code, and the degree to which the institutional officials have direct acquaintance with student life in general and with the involved student and the circumstances of the case in particular. The jurisdictions of faculty or student judicial bodies, the disciplinary responsibilities of institutional officials, and the regular disciplinary procedures, including the student’s right to appeal a decision, should be clearly formulated and communicated in advance. Minor penalties may be assessed informally under prescribed procedures. In all situations, procedural fair play requires that a student charged with misconduct be informed of the nature of the charges and be given a fair opportunity to refute them, that the institution not be arbitrary in its actions, and that there be provision for appeal of a decision. The following are recommended safeguards in such proceedings when there are no honor codes offering comparable guarantees.

A. Standards of Conduct Expected of Students

The institution has an obligation to clarify those standards of behavior, which it considers essential to its educational mission and its community life. These general behavioral expectations and the resultant specific regulations should represent a reasonable regulation of student conduct, but students should be as free as possible from imposed limitations that have no direct relevance to their education. Offenses should be as clearly defined as possible and interpreted in a manner consistent with the aforementioned principles of relevancy and reasonableness. Disciplinary proceedings should be instituted only for violations of standards of conduct formulated with significant student participation and published in advance through such means as a student handbook or a generally available body of institutional regulations.

B. Investigation of Student Conduct

Except under extreme emergency circumstances, premises occupied by students and the personal possessions of students should not be searched unless appropriate authorization has been obtained. For premises such as residence halls controlled by the institution, an appropriate and responsible authority should be designated to whom application should be made before a search is conducted. The application should specify the reasons for the search and the objects or information sought. The student should be present, if possible, during the search. For premises not controlled by the institution, the ordinary requirements for lawful search should be followed.

Students detected or arrested in the course of serious violations of institutional regulations, or infractions of ordinary law, should be informed of their rights. No form of harassment should be used by institutional representatives to coerce admissions of guilt or information about conduct of other suspected persons.

C. Status of Student Pending Final Action

Pending action on the charges, the status of a student should not be altered, or the student’s right to be present on the campus and to attend classes suspended, except for reasons relating to the student’s physical or emotional safety and well-being, or for reasons relating to the safety and well-being of other persons or property.16

D. Hearing Committee Procedures

When the misconduct may result in serious penalties, and if a penalized student questions the fairness of disciplinary action, that student should be granted, on request, the privilege of a hearing before a regularly
constituted hearing committee. The following suggested hearing committee procedures satisfy the requirements of procedural due process in situations requiring a high degree of formality.

- The hearing committee should include faculty members or students, or, if regularly included or requested by the accused, both faculty and student members.
- No member of the hearing committee who is otherwise interested in the particular case should sit in judgment during the proceeding.
- The student should be informed, in writing, of the reasons for the proposed disciplinary action with sufficient particularity, and in sufficient time, to ensure opportunity to prepare for the hearing.
- The student appearing before the hearing committee should have the right to be assisted in his or her defense by an adviser of the student’s choice.
- The burden of proof should rest upon the officials bringing the charge.
- The student should be given an opportunity to testify, to present evidence and witnesses, and to hear and question adverse witnesses. In no case should the committee consider statements against the student unless he or she has been advised of their content and of the names of those who made them, and has been given an opportunity to rebut unfavorable inferences, which might otherwise be drawn.
- All matters upon which the decision may be based must be introduced into evidence at the proceeding before the hearing committee. The decision should be based solely upon such matters. Improperly acquired evidence should not be admitted.
- In the absence of a transcript, there should be both a digest and a verbatim record, such as a tape recording, of the hearing.
- The decision of the hearing committee should be final, subject only to the student’s right of appeal to the president or ultimately to the governing board of the institution.  

1) In order to protect the freedom of students to learn, as well as enhance their participation in the life of the academic community, students should be free from exploitation or harassment.

2) In order to make appropriate choices and participate effectively in an institution’s programs, students have the right to be informed about the institution, its policies, practices, and characteristics. Institutions preparing such information should take into account applicable federal and state laws.

3) The reference to race must not be taken to limit the nondiscrimination obligations of institutions. In all aspects of education, students have a right to be free from discrimination on the basis of individual attributes not demonstrably related to academic success in the institution’s program, including but not limited to race, color, gender, age, disability, national origin, or sexual orientation. When colleges and universities determine that achieving diversity within the student body is relevant to their academic mission, their admissions decisions may consider, among several stated criteria, individual attributes that otherwise would be prohibited (see, e.g., Regents of the University of California v. Bakke, 438 U.S. 265 [1978]).

4) The student grievance procedures typically used in these matters are not appropriate for addressing charges of academic dishonesty or other disciplinary matters arising in the classroom. In these instances, students should be afforded the safeguards of orderly procedures consistent with those set forth in Section VI below.

5) The Family Educational Rights and Privacy Act (FERPA) provided for the protection of student records. Consistent with FERPA, institutions should have a statement of policy on the content of a student’s educational record as well as the conditions for its disclosure. Institutions should also have policies and security practices to control access to student records that may be available or transmitted electronically.

6) As in the case of classroom matters, students should have protection through orderly procedures to assure this freedom.

7) “Institutional recognition” should be understood to refer to any formal relationship between the student organization and the institution.

8) The obligation of institutions with respect to nondiscrimination, with the exception noted above for religious qualifications, should be understood in accordance with the expanded statement on nondiscrimination in interpretive note # 3 above. Exceptions may also be based on gender as authorized by law.

9) The events referred to in this section should be understood to include the full range of student-sponsored
activities such as films, exhibitions, and performances.

10) “Academic and student affairs” should be interpreted broadly to include all administrative and policy matters pertinent to students’ educational experiences.

11) The student conduct that may be subject to disciplinary proceedings described in this section should be understood to include alleged violations of standards of student academic integrity.

12) In addition, student organizations as well as individual students may be subject to institutional disciplinary sanctions, and in those circumstances, student organizations should also be guaranteed procedural fairness.

13) Like other practices in disciplinary cases, the formality of any appellate procedures should be commensurate with the gravity of the offense and the sanctions that may be imposed.

14) The institution should state as specifically as possible the sanctions that may be imposed through disciplinary proceedings.

15) This provision is intended to protect students’ rights under both institutional codes and applicable law. Where institutional regulations are violated, students should be informed of their rights under campus disciplinary procedures. Where arrests are made for infractions of the law, students must be informed of their rights by arresting authorities.

16) The original text stated, “relating to the safety and well-being of students, faculty, or university property.

17) The student should also be informed of the specific sanctions, which may be imposed through the disciplinary proceeding.

18) As a matter of responsible practice, the decision of the committee, as well as grounds and procedures for appeal, should be communicated to the student in writing within a reasonable period of time.
STUDENT CODE OF CONDUCT

Kentucky Wesleyan College expects that excellence in conduct is the goal of each student, and it anticipates that students be sufficiently mature to conduct themselves according to the standards, laws and customs of the Kentucky Wesleyan community and to act in such a manner that will reflect credit upon the College.

It is not realistic to assume that every student will live entirely under self-discipline; therefore, provisions exist for handling situations that violate the regulations and principles of the College. It is your responsibility to acquaint yourself with these rules and abide by them. In order to conform to civil law, institutional policy and principles underlying College policies for student life, certain actions are prohibited. Failure to comply will result in disciplinary action. Some actions may constitute a violation of Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681-1688. See KWC’s Title IX policy to determine if applicable.

Every member of the Kentucky Wesleyan College community is expected to conduct himself/herself in a manner which is supportive of and which does not impair the development of any other member of the community. To this end, the College has established a student conduct system that includes provision for disciplinary conferences, a Community Hearing Board, a Student Conduct Board, and a Board of Appeals.

The following are considered violations of the Code of Conduct and will be referred to the appropriate board or individual. The list is not intended to be all-inclusive. For the protection and welfare of each member of the community, the College, through the Associate Dean of Student Services, reserves the right to appeal decisions of the student conduct boards in these matters.

Note: In cases where more than one violation has occurred as a result of an incident, sanctions will likely increase in severity. The sanctions listed are guidelines. However, all cases are treated on an individual basis. The student conduct officers and boards do have authority to determine any sanctions they feel appropriate. Thus, in some instances, sanctions assigned to individuals may vary. Sanctions increase in severity when there are prior violations; all prior violations during the student’s enrollment will be taken into consideration for sanctioning. Students should note that these rules and regulations apply to behavior that occurs on or off campus, except where indicated. Enrolled students may petition in writing the Associate Dean of Student Services to expunge their record of minor violations after a one-year period without additional violations. Expunged records will contain the student’s letter of request for expungement. Otherwise, records are maintained for seven years after the student graduates or leaves Kentucky Wesleyan, in accordance with the policy on records retention.

SANCTIONS
1. Educational Sanctions
The hearing body may choose to assign an educational project or task to be completed. Some examples of these sanctions include web-based modules, papers, written apologies, book reports, and program plans and implementation.

2. Campus Service Hours
Campus Service Hours are intended to benefit the individual and the campus (such as a volunteer service-related activity).
NOTE: Failure to complete Campus Service Hours in the allotted time will result in conversion to a monetary fine at the rate of $20 per uncompleted hour, to be added to the student’s account at the end of each semester. Any overdue or uncompleted sanctions may result in a referral to the Associate Dean of Student Services for additional disciplinary consideration.

Any student who plans to enter a plea of being in violation is encouraged to propose a constructive or educational task to be considered by the board or officer hearing the case.

3. Loss of Visitation
When a student loses visitation privileges: the student may not have members of the opposite sex in his/her room, (either as guests or by being in the room when guests of a roommate are present), nor may the student be a guest in rooms of members of the opposite sex. Students may not visit opposite sex residence halls. Students may be present in public areas of a same-sex residence hall (lounge, main hallway) but may not have an opposite sex guest.

4. Fines
Students may be required to pay a reasonable sum of money as a sanction.

5. Restitution
Reimbursement for damage to person or property or misappropriation of property, either through appropriate repairs or monetary compensation, may be imposed as a sanction.

6. Alcohol Education Class
Students found responsible of the Kentucky Wesleyan College Alcohol Policy may be required to attend alcohol education classes. Students found responsible of subsequent alcohol violations may be required to complete a professional assessment (at their own cost), follow recommendations of a local substance abuse specialist, and release information to the College.

7. Referral for Counseling
If, in the opinion of the Student conduct Officer/Board, a student involved in a disciplinary situation will best be served by counseling, the student may be required to attend counseling sessions with a counseling professional on/off campus. The student will be responsible for all fees incurred by contracting the services of an independent professional.

8. Residence Hall Relocation
A recommendation to the Assistant Dean of Students that the student be required to move to another room, residence hall, or residence area because of his/her lack of willingness to live within the rules of his/her present residence hall community. This sanction will be recommended in situations where the board or officer feels the individual would benefit from a change of environment in order to conform to acceptable group-living standards.
9. **Loss of Housing Privileges**

A recommendation to the Associate Dean of Student Services that a student lose his/her privilege of residing in College-owned housing as part of an imposed sanction. If a student loses College housing privileges, a letter will be sent to his/her parents (if financially responsible) notifying them of his/her housing status. Students removed from housing will not receive a prorated return based upon date of removal. Student athletes receiving athletic scholarships may also lose support if removed from housing.

10. **Official Reprimand**

The Official Reprimand is a written notification to a student indicating that he/she has been found responsible for a policy, that the behavior was inappropriate, and that any other violations of College regulations for which the student is found responsible will result in a more severe disciplinary action. In addition, if the student does not meet any special stipulations associated with the sanction, further action will be taken, which may include suspension. The Official Reprimand normally remains in effect for one full calendar year. If there are no additional violations during that year, the Official Reprimand will expire.

11. **General Probation**

A probationary status imposed for a specific time period (at least one calendar year) during which a student is expected to show a positive change in behavior. If the student does not meet any stipulation associated with the general probation or if he/she is found responsible for other or subsequent violations of College policy, regulation or law, he/she will be automatically placed on Disciplinary Probation and may also face suspension from the College depending on the severity of the violation. A student on General Probation is considered to be on marginal conduct standing.

   a. **Residence Hall Probation** – Students placed on residence hall probation will be so for one calendar year or until they graduate or not return for a subsequent semester whichever occurs first. Students placed on Residence Hall probation will be removed from housing if found responsible for another or subsequent violation of College policies.

   b. **Directed Probation** – Students placed on directed probation will lose specific privileges for one calendar year. This may include participation in intramurals or other campus events, study abroad, be eligible/remain on Residence Life staff, and/or participate in some institutional activities or related travel off campus (i.e. student activity trips, study abroad, educational trips, etc.) as determined by the Associated Dean of Student Services or their designee.

13. **Disciplinary Probation**

A probationary status imposed for a specific time period during which a student is expected to show a positive change in behavior. Furthermore, if the student does not meet any special stipulation associated with the probationary standing or if he/she is found responsible of any other rule, regulation, or law, he/she will be suspended from the College. If a student is placed on disciplinary probation, a letter will be sent to his/her parents notifying them of his/her status. A student on probation is not considered to be in good conduct standing.

   a. **Specific Probation**: a student placed on specific probation will be suspended from Kentucky Wesleyan for conviction of a second offense in the violation category during the time of probation. The suspension may be immediate or deferred at the discretion of the Associate Dean of Student Services.

   b. **General Probation**: a student placed on general probation will be suspended from Kentucky Wesleyan for conviction of any student conduct or honor offense during the time of probation. The suspension may be immediate or deferred at the discretion of the Associate Dean of Student Services.

14. **Disciplinary Suspension**

The removal of a student from the College for a period of time; suspension permits the student to apply for readmission at the end of the sanction imposed. While a student is suspended, he/she is not to return to the campus, grounds, programs, facilities, and activities of the College without written permission from the Associate Dean of Student Services. If the student returns to the campus without written permission during the time period for which he/she has been suspended, his/her eligibility to return to Kentucky Wesleyan may be threatened. A student who is suspended is not eligible for any financial refund or credit from the College. Suspended students will receive a WP or WF depending on their level of performance in each class. Note: Students who accrue an inordinate amount of conduct violations while enrolled at the College may also be eligible for suspension.

   a. **Deferred Suspension**: a student may be permitted to complete the current semester and be suspended for
the next regular academic term or longer.

b. Immediate Suspension: suspension from the College for the remainder of the semester or longer.

15. Immediate Interim Suspension
   In the event a student’s actions demonstrate that his/her continued presence at the College constitutes a danger to property, the student, or to others, the student may be placed on immediate interim suspension, pending a student conduct proceeding, finding, and final sanction.

16. Permanent Separation
   Permanent removal from the College. Conditions related to presence on campus, financial refund, and course withdrawals apply as described under Disciplinary Suspension above.

17. Any other sanction appropriate to the violation
SUGGESTED SANCTIONS FOR CODE OF CONDUCT VIOLATIONS

The following penalties are the minimal suggested sanctions for each of the following Code of Conduct violations. Penalties may include, but are not limited to, the suggestions listed below. All prior violations during the student’s enrollment will be considered when sanctions are determined, as will the period of time that has elapsed since those violations. A summary explanation of these codes follows.

*Students are responsible for the cost of required off-campus assessments.
**According to federal law, students who are convicted on drug charges in the criminal courts will also lose
federal financial aid awards for the period of their sentence.

NOTE: Consideration of prior violations will include information about Campus Citations the student has received from the Police Department, as well as the length of time that has elapsed since the prior incidents.

THE STUDENT CONDUCT SYSTEM

Process for Handling Complaints

Any member of the College community may file a written complaint of alleged violations with the Student Services Office. The Office reserves the right to gather additional information before proceeding.

The Student Services Office will designate a Hearing Officer who will notify all implicated students of possible violations. Students are required to meet with the Hearing Officer for a disciplinary conference as quickly as possible after receiving this notification. The purpose of this meeting is to inform the student of the complaint, determine if there is a basis for further action, advise the student of the student conduct process, and explain the student’s rights and options. Undue delay or failure to respond will result in further disciplinary action.

If, in the judgment of the Hearing Officer, the information warrants no further action, the complaint may be filed For Information Only. However, if additional information becomes available or a future incident occurs, the Hearing Officer may then take further disciplinary action.

Student Option

If the information from an initial meeting or written incident report indicates that the student is clearly responsible of a policy, and the violation is a minor or first time offense, then the Hearing Officer may offer a “Student Option” in which the involved student is offered through a letter or conduct conference the opportunity to accept responsibility for the violation and accept the designated sanction(s). If offered through a letter, the involved student is then not required to meet with the Hearing Officer concerning this violation. The Student Option may be taken only when a student agrees to plead responsible to an offense, which is his/her first in a particular category (and the student is not under prior conduct status such as Reprimand or Probation) and further agrees to accept a sanction(s) as prescribed by the Hearing Officer. If the student does not accept responsibility for the violation or declines to accept the assigned sanction(s), then the student is required to meet with the Hearing Officer concerning the matter. Failure of the student to contact the Hearing Officer in the time allotted will be understood as acceptance of responsibility and sanction(s). If no standard penalty exists, the violation is unusually serious, or the student does not accept responsibility and plead responsible, automatic referral may be made to a hearing board or administrative hearing. In any case, the Hearing Officer has the discretion to refer the violation to The Community Hearing Board or Student Conduct Board; the student also has the right to request a hearing.

Referral to Hearing and Student Rights

Hearings may be conducted either by the Community Hearing Board or Student Conduct Board. In all cases that go to a hearing, procedural fair play includes the following student rights: that the student be informed in writing, usually two days prior to the student conduct proceedings, of the reasons for the proposed student conduct action against him/her, that he/she be given a fair opportunity to hear and raise questions for all witnesses and about the evidence against him/her, that the hearing bodies not be arbitrary in their actions, and that there be provision for appeal of a decision. The decision of the Community Hearing Board or Student Conduct Board is final, subject only to the student’s right of appeal.

During the exam week and the summer session, the Associate Dean of Student Services shall be responsible for adjudicating all student conduct matters.

Decisions of the Board are confidential. The Associate Dean of Student Services reserves the right to release decisions in those cases he/she deems to be in the best interest of the College or student(s) involved and/or as required by law.

Community Hearing Board

This board will be established so that a body of his/her own peers may hear a student’s case regarding low level offenses. These include, but are not limited to: Candles/Grills/Incense, Smoking, Visitation Violation, Unauthorized Occupancy of a Residence Hall, Behavior Which Endangers (pets, roof entry, hover boards, propping doors, throwing things from windows), Disorderly Conduct (noise), or Misuse of College Property. Hearings may be conducted with no less than three residential students. Hearings of the board are closed. If a student
wishes to appeal a decision of the board, he/she must do so within three business days and in writing to the Associate Dean of Student Services.

Student Conduct Board
This board will be established so that a body of College faculty and/or staff may hear a student’s case. Hearings may be conducted with no less than three faculty/staff members plus a chair. Hearings of the board are closed. The Student Conduct Board will also hear appeals of individual students from hearing board decisions. If a student wishes to appeal a decision of the board, he/she must do so within three business days and in writing to the Associate Dean of Student Services.

Board of Appeals
Hearings may be conducted with no fewer than three members and will include only College faculty and staff. The Board of Appeals hears appeals of individual students from hearing board decisions. Decisions by the Board of Appeals are final.

Appeals
Grounds for an appeal of a student conduct decision must be based on one of three arguments:
1. A violation of rights occurred as a result of the manner in which the hearing was established and conducted;
2. The sanction assigned is inappropriate for the violation involved;
3. New evidence has surfaced or a witness has come forward that could directly affect the outcome of the hearing.

An appeal is not a rehearing of the complaint based upon a disagreement with the finding of the hearing body. By a simple majority vote, the appellate body may uphold the original decision and sanctioning, uphold the decision and revise sanctioning, or overrule the original decision and sanctioning.

Hearing Guidelines
1. Hearings shall be conducted in private with only the participants and advisors present.
2. In hearings involving more than one accused student, the Associate Dean of Student Services, at his/her discretion, may permit hearings concerning each student to be conducted separately.
3. The Boards, at the discretion of the Associate Dean of Student Services and advisors, may accept pertinent records, exhibits, and written statements as evidence for consideration.
4. A student may bring an advisor of his/her choice to the hearing, provided the advisor is a member of the College community. Attorneys may not serve as advisors; attorneys may be present to observe only if a student is charged with a serious crime and is charged off campus with the same offense. Advisors are not permitted to address any participants in the hearing other than the person whom they are advising in the presentation of his/her case. The Associate Dean of Student Services shall be notified by the accused student (or complainant) at least 24 hours prior to the hearing that the student plans to have an advisor present.
5. A student may present witnesses to testify on his/her behalf. Witnesses must be able to give testimony directly relevant to the specific, alleged violations. Written statements rather than personal testimony may be permitted, and when they are, it is only at the discretion of the Associate Dean of Student Services. It is the responsibility of the respondent student and the complainant to request that any witnesses other than those officially summoned be present at the hearing. The Associate Dean of Student Services shall be notified 24 hours in advance of the hearing of any witnesses requested to be present.
6. All procedural questions are subject to the final decision of the Associate Dean of Student Services.
7. In the event that the respondent student does not appear for the hearing at the appointed time, the hearing may still be conducted, at the discretion of the Associate Dean of Student Services, and the accused student will be considered to have waived his/her right to be heard.
8. After the hearing, the Board shall determine (by majority vote) whether the student has violated any section of the Code of Conduct that the student is charged with violating.
9. The Board’s decision shall be made on the basis of the preponderance of the evidence as it relates to a violation of the Code.
10. If, during the course of the hearing, information is presented which indicates that the respondent is responsible
for violations of the Code of Conduct in addition to those with which he/she was charged, the Board may find
the student responsible for such violations and sanction the student accordingly. In such a case, the student
has the right, through the appeal process, to ask for a full hearing on any such charges so that he/she can
appropriately prepare for the hearing.
11. The Boards may discipline a student who in any way seeks to obstruct the internal conduct process, such as
refusing to appear at a hearing, lying to the Board, etc.

Order of Events at the Hearing
1. Introduction by the Associate Dean of Student Services of all participants.
2. Review of the respondents’ and complainant’s basic rights.
3. Reading of complainant’s statement and the alleged violation resulting from the statement.
4. The respondent shall indicate that he/she agrees or does not agree that he/she violated the Code of Conduct.
5. The complainant makes an opening statement, adding anything pertinent to the written statement.
6. The respondent makes an opening statement.
7. The Board questions the complainant and/or the respondent. The complainant may raise questions through
the Associate Dean of Student Services for the accused student; the respondent may raise questions through
the Associate Dean of Student Services for the complainant.
8. Witnesses are brought into the hearing individually to present their statements. First, witnesses requested by
the respondent will be heard. The witness shall make his/her statement, and answer questions from the
Board, the complainant, and the respondent.
9. The complainant makes a closing statement.
10. The respondent makes a closing statement.
11. The Board shall have the last opportunity for questions.
12. The Board shall enter closed deliberations for its decision. The respondent and the complainant will be in-
formed when a decision is reached.

Completion of Sanctions
Students accepting responsibility for violations and those found responsible through the student conduct system
are responsible for completing all sanctions imposed, by the deadlines given. Unless an extension has been
granted in writing by the Associate Dean of Students, failure to complete sanctions will be considered Failure to
Comply, and additional charges may result. If a student has been placed on Disciplinary Probation, failure to
comply with sanctions will result in Disciplinary Suspension. Any unpaid fines will be charged to the student
account, and uncompleted Community Service Hours will convert to monetary fines at the rate of $20/uncom-
pleted hour. If a student leaves Kentucky Wesleyan before non-monetary sanctions are completed, and later
applies for and is granted readmission, sanctions will be reinstated upon the student’s return and new deadlines
will be given. If a student leaves Kentucky Wesleyan with a conduct status sanction in effect (Official Repri-
mand or other conduct status), the status will be reinstated upon the student’s return.

Status of a Student During an Appeal
The sanction imposed as a result of the original hearing shall not be in effect at such time as an appeal is requested
and during the time prior to an appeal hearing. However, a student who is suspended or expelled from the resi-
dence halls or the College must abide by that sanction, unless granted permission by the Associate Dean of Stu-
dents to remain in the residence halls and/or classes until such time as a decision is reached by the Appeals Board.
A student who is directed not to have contact with another individual must also abide by that sanction until the
appeal is acted on, unless specific permission to the contrary is granted by the Associate Dean of Student Services.

Withdrawal in Lieu of Facing a Hearing
1. Under certain conditions, the Associate Dean of Student Services could agree that a student charged with an
offense may withdraw from the College rather than face a student conduct hearing. A student must request
such an option in writing (having cleared all outstanding account balances) and must stipulate that the petition
is voluntary.
2. A student withdrawing in lieu of facing a student conduct hearing must have the clearance of the Associate
Dean of Students before he/she may apply for readmission to the College. Charges will be reinstated upon the student’s return if he/she is reaccepted to the College.

**NOTE:** In cases where the respondent simply leaves the College prior to the hearing date, the hearing will be postponed until the student returns to Kentucky Wesleyan. Should a student charged with an offense never return to Kentucky Wesleyan; the charge will be dismissed when the student file is discarded. In cases involving local, state, or federal laws, the proper authorities will be notified and the information will be provided to them. In cases where the witness or complainant leaves the College prior to the hearing, reasonable effort will be made to inform the witness or complainant of the hearing date and expectations. If the complainant or witness cannot be contacted, or chooses not to testify, the Associate Dean of Student Services will determine whether or not to proceed with the hearing. If no hearing is held, the charge against the respondent will be cleared from the student’s record.

**POLICIES AND PROCEDURES**

**ALCOHOL & DRUG USE/ABUSE POLICY & PROGRAM**

As a church-related Christian college, the College is concerned about the health and well-being of its students and recognizes the health hazards involved with the use of alcohol and illicit drugs. In an attempt to deter students from using alcohol and illicit drugs, the College has adopted the following policies.

The Drug-Free Schools and Communities Act and Drug and Alcohol Abuse Prevention Regulations (Education Department General Administrative Regulations), notes that no institution of higher education shall be eligible to receive funds or any other form of financial assistance under any Federal program, including participation in any federally funded or guaranteed student loan program, unless the institution certifies to the Secretary that the institution has adopted and has implemented a program to prevent the use of illicit drugs and the abuse of alcohol by students and employees. In response, KY Wesleyan College has adopted and implemented program and policies to prevent the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.

**Information on Preventing Drug and Alcohol Abuse**

The College assists in drug education and prevention programs to inform and encourage students to refrain from the use of alcohol and other drugs.

- All new full time students participate in the THINK FAST GAME SHOW, giving them initial exposure to the expectations of student conduct and the serious effects of substance abuse. Activities are provided to establish involvement and connection to campus, while promoting alcohol and drug free choices.
- Focus on awareness with such programs as Alcohol Awareness Week promoted by Student Government is a joint effort involving students, faculty, and staff, as well as KY State Police and River Valley, a local mental health facility. “Drunk Goggles” that also address driving distraction are part of this program.
- KY Wesleyan is a smoke free campus.
- Guest sign in procedures are in place to monitor residence hall activity
- Alcohol and drug free alternative activities /programs are offered 2-3xs a month. These activities include midnight movies at a local theater and numerous chaperoned trips to athletic events. Sophomores engage in the “Sophomore Experience” for monthly adventures to various resorts and community non-profit organizations as volunteers.

Information pertaining to the legal sanctions under Kentucky state law for the unlawful possession of distribution
of illicit drugs and alcohol; the health risks associated with the use of illicit drugs and the abuse of alcohol; and drug and alcohol abuse counseling programs available to students are also included in this policy.

**Possession and/or Use of Alcohol Beverages and Containers**

Wesleyan prohibits the possession and/or use of alcoholic beverage containers (either full or empty), and the possession, use and/or distribution of illegally-obtained prescription drugs or illicit drugs or drug paraphernalia on College property or at College-sponsored functions, regardless of a student’s age. Students may also be referred to the civil authorities for the unlawful possession of alcoholic beverages on College property or at College-sponsored functions.

**Possession, Use and/or Distribution of Illicit Drugs or Drug Paraphernalia**

Students involved with the possession and/or use of illegally-obtained prescription drugs or illicit drugs or drug paraphernalia on College property or at College-sponsored student functions are subject to the following sanctions:

1) Suspension from the College for at least one full semester, with re-admittance to the College contingent upon providing proof of successful completion of a drug abuse rehabilitation program for the first offense.

2) A second violation would result in expulsion from the College.

Students may also be referred to the civil authorities for the unlawful possession and/or use of illicit drugs on college property or at College-sponsored student function.

Students involved in the distribution of illicit drugs on College property or at College sponsored student functions will be expelled from the College in addition to being referred to the civil authorities.

**PLEASE NOTE:** Presence of articles may be interpreted as actual possession of those articles. Students encountered in locations where drugs, alcohol, firearms, ammunition and explosives or other misconduct is evident will normally be considered in violation of the Code of Conduct or Residence Hall Regulations, even if they do not have the prohibited items on their person at the time they are encountered.

**Rehabilitation and Treatment Resources**

All students may receive counseling for up to 6 sessions free of charge from local services; Ivory Howell, a local counseling service will meet with students on campus in the Student Health office. Counseling Associates, another available service will meet with students off campus.

**Health Risks**

Substance abuse may result in a wide array of serious health and behavior problems. Substance abuse has both long and short-term effects on the body and the mind. In addition to the problem of toxicity, contaminant poisonings often occur with illegal drug use. HIV infection with intravenous drug use is a prevalent hazard.

Acute health problems may include heart attack, stroke, and sudden death, which can occur with first time cocaine users. Long lasting effects caused by drug and alcohol abuse can cause problems such as disruption of normal heart rhythm, high blood pressure, bleeding and destruction of brain cells, possible memory loss, infertility, impotency, immune system impairment, kidney failure, cirrhosis of the liver, and pulmonary damage. Drug use during pregnancy may result in fetal damage and birth defects causing hyperactivity, neurological abnormalities, and developmental difficulties.
ACADEMIC CHANGES

If a student wants to change their major, they should go to the Registrar’s Office and fill out the appropriate form.

Appropriate Use Policy (Information Technology)

This policy establishes guidelines for the appropriate use of computer equipment, software and networks owned or operated by Kentucky Wesleyan College. General Guidelines

A. In making appropriate use of information resources you MUST:
   1) Protect your user ID from unauthorized use. You are responsible for all activities initiated under your user ID.
   2) Access only files and data that are your own, that are publicly available, or to which you have been given authorized access.
   3) Be considerate in your use of shared resources. Refrain from monopolizing systems, overloading networks with excessive data, or wasting printer paper and other supplies.
   4) Use the FACULTY, STAFF and/or STUDENT e-mail groups to communicate only college-related information, including notices about events, activities, sports competitions and general business/academic information.

B. In making appropriate use of information resources you MUST NOT:
   1) Use another person’s files or data without permission.
   2) Use computer programs to decode passwords or access control information.
   3) Load software or data on the hard drive of any public access workstation.
   4) Engage in any activity that might be harmful to systems or to any information stored therein, such as creating or propagating viruses, disrupting services, or damaging files.
   5) Make or use illegal copies of copyrighted software or computer files (including music and video files), store such copies on College systems, or transmit them over College networks.
   6) Use electronic means to abuse, harass, threaten, intimidate, or otherwise annoy another person.
   7) Transmitting statements, language, images or other materials that are reasonably likely to be perceived as offensive or disparaging of others based on race, national origin, sex, sexual orientation, age, disability, religious or political beliefs.
   8) Knowingly visiting pornographic or illegal sites, disseminating, soliciting or storing sexually oriented messages or images that are not required as part of educational requirements.
   9) Use any e-mail group to distribute chain letters.
  10) Use the FACULTY, STAFF and/or STUDENT e-mail groups for socializing or for personal comments, etc. Individual addresses should be used for personal messages and communications.
  11) Use another person’s user ID and password.
  12) Place on any College-owned or operated system information or software which
      a. infringes upon the rights of another person;
      b. is abusive, profane, or obscene; or
      c. promotes a commercial enterprise or product.

Disclaimers

The College reserves the right to limit, restrict or extend computing privileges and access to its information resources.

The College supports each individual’s right to privacy of personal files and will take reasonable steps to ensure security of its systems. Computing resources, however, are potentially accessible to others through normal system administration activities and to the public through public records laws. Therefore, the College cannot guarantee absolute privacy of files.
The College cannot guarantee that, in all instances, data will be retained on its systems. It is the responsibility of the user to make secure backup copies of essential files for disaster recovery.

**Enforcement**

The College considers any violation of these guidelines to be a serious offense and reserves the right to examine files allegedly related to inappropriate use. Violators are subject to immediate loss of e-mail and/or network access privileges and possible disciplinary action.

Revised 1-24-03

**Copyright Infringement (Policy in Response to Allegations)**

A Message to the Kentucky Wesleyan College Community

As you are likely aware, in spite of its ease and the fact that “everyone does it,” downloading music, television programs, films, games, and software without paying for them and without permission of the owner is against the law. What you may not realize is that even if you purchase those materials legally, when you make them available to others by placing them in “shared” folders accessible to peer-to-peer software (P2P) (see Wikipedia’s “Peer-to-peer,” [http://en.wikipedia.org/wiki/Peer-to-peer](http://en.wikipedia.org/wiki/Peer-to-peer)) you are also violating United States copyright law and are subject to civil and, in extreme cases, criminal penalties. You should also be mindful that if you can use software (e.g., Lime Wire, Morpheus) to locate music or other files on the internet, the copyright owners will have at least as powerful software to locate the infringing files on your computer.

The 1998 Digital Millennium Copyright Act (DMCA) and Wesleyan policies speak directly to this issue and define the procedures we follow when notified that a copyright owner believes they’ve located a case of infringement on a computer attached to the campus network. Immediately upon receipt of such a complaint, the DMCA requires that we block access to the allegedly infringing content until such time that the complaint can be resolved as prescribed in Kentucky Wesleyan College’s *Policy on Response to Allegations of Copyright Infringement*.

At the very least even a simple notification will likely disrupt your access to the internet and create significant amounts of work for College personnel. Even a single event can result in you and your family facing a lawsuit. Repeat offenses will most likely result in your losing the privilege of internet access from your residence hall room and, again in extreme cases, lead to more severe sanctions.

Wesleyan is careful to follow the procedures as outlined in the DMCA both to protect the financial resources of the College and to serve as much as possible as a buffer between students and complainants. In 2009 a federal jury ordered a Boston University graduate student to pay four music companies $675,000 for downloading and distributing more than two dozen songs. The Chronicle of Higher Education noted that “The jury could have demanded that Mr. Tenenbaum, a 25-year-old physics student, pay as much as $4.5-million ...” and that “In a separate lawsuit in June, a woman was ordered to pay $1.92-million in damages for downloading 24 songs.”
Please, for your own sake, do not download or make copyrighted materials available on your computer! Please see links below for more information and contact me if you have questions or need help.

**Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws**

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense.

For more information, please see the Web site of the U.S. Copyright Office at [www.copyright.gov](http://www.copyright.gov), especially their FAQ’s at [www.copyright.gov/help/faq](http://www.copyright.gov/help/faq).

**BULLETIN BOARD POLICY**

All posters, flyers, announcements, advertisements, etc. must be posted on bulletin boards only. Anything posted on an area other than a bulletin board will be taken down and thrown away. Outdated flyers, announcements, advertisements, etc. will be removed from the bulletin boards and thrown away.

Students, faculty and staff may not post items on bulletin boards for campus related activities and announcements without the approval of Student Life (located on the first floor of the Winchester Center). Individuals wanting to post information for events, announcements, etc. not related to the college must obtain approval from Student Life.

Additional bulletin boards have been mounted in the Administration Building to help support the need of posting announcements.

**CHILDREN ON CAMPUS POLICY**

**People Covered by Policy:** All Wesleyan personnel, contracted programs and camp operators, and guests of Wesleyan on campus.

**Policy Statement:** Wesleyan encourages safe, supervised campus visitations by children for the purposes of making decisions about their academic future such as: attending educational, cultural, or sporting events and camps and authorized use of facilities.

Wesleyan campus grounds and infrastructure are designed to provide an environment conducive to academic and occupational activities performed by students and employees. For reasons that include the safety of children, and assuring professional efficient performance of academic pursuits, operations, and services, Wesleyan cannot accommodate unsupervised children in campus workplaces, classrooms, or at any other venue or event on campus.

**Purpose:** To assure the appropriate supervision of children on campus and set out appropriate conditions, locations, and situations where children are permitted.

**Definitions**

- **Children:** Minors under the age of 18.
- **Minors Enrolled as Students:** Properly enrolled students under the age of 18 who have the rights and privileges
of any other student in the classroom and on campus grounds, except that such minors between the ages of 13 - 15 must have a signed release form on file in the Admissions Office indicating whether they will be accompanied on campus by a responsible adult and must be in compliance with that form. Properly enrolled students under the age of 13 must always be accompanied by a responsible adult.

**Supervised:** An adult designated as responsible for the child is providing direct on-site care and attention to the child’s health, safety, and welfare. An adult responsible for the child who is present but performing work, teaching, or other activities that distracts his/her attention from the child does not meet this criterion.

**Unsupervised:** The adult responsible for the child is not present or is performing duties that distracts from the adult’s attention to the child.

**Procedures**

**Classrooms:** Presence in classrooms is restricted to properly enrolled students or visitors with legitimate purpose, who may be adults or minors. Instructors of record are responsible for ensuring that individuals who attend their classes are properly enrolled or have been invited for the purpose of making special announcements, guest lecturing, or other authorized reasons. Instructors are also responsible for addressing situations when unauthorized individuals attend their classes.

Instructors have the discretion to make infrequent exceptions due to temporary, unforeseen emergencies. In these cases, children must remain in the classroom and are not allowed to sit in the hallway or be unsupervised in other locations on campus.

**Offices:** Children are allowed in offices on campus in the following situations:

- Short, occasional visitation by children who are accompanied by a responsible adult.
- Infrequent exceptions granted by the supervisor due to a temporary, unforeseen emergency and only when the responsible adult is able to be present and attend to the care and welfare of the child.

Children are not allowed in offices on campus in the following situations:

- An alternative to regular childcare provisions, e.g., infant care or childcare during summers and holidays.
- When the child is too ill to be sent to regular childcare location or school.
- Provision of regular and routine childcare after the Campus School or any other school has dismissed, regardless of duration each day.
- Presence of child interferes with normal operations.

Supervisors are responsible and accountable for ensuring that this policy is followed. Should employees require time to resolve their childcare situation, they are required to leave work and paid time off will be assessed.

**Campus Grounds and Facilities:** Due to safety issues, under no circumstances may unsupervised children be allowed to play on campus grounds, roam campus buildings, or sit unaccompanied in campus buildings or benches on the grounds. Areas that are off limits to unsupervised children include, but are not limited to:

- Hager Hall
- Yu Hak Hahn Science Center
- Parking lots
- Residence Halls
- Cafeteria
- Winchester Center
- Game rooms
- Athletic fields
- Facilities/Maintenance Building

**Areas Totally Off Limits to Children, Regardless of Supervision:** Due to safety and health hazards, and in the interest of an effective learning environment, some campus areas are totally off limits to children, regardless of supervision by a responsible adult. These areas include, but are not limited to:

- Student computer labs
- Research laboratories
• Teaching laboratories where chemicals are present
• Chemical storage areas
• Wesleyan vehicles and golf carts
• Mechanical rooms
• All kitchens

**Unaccompanied Child** - Anyone finding an unaccompanied child on campus grounds should first determine if the parent(s) are on campus and try to reunite the child with the parent(s). If unable to do so, the adult should inform the Student Services Office of the location of the child.

• During the hours of 8 AM – 5 PM Monday-Friday, call (270) 852-3285 to request such assistance.
• After 5 PM and during weekend hours, please call Campus Security at (270) 929-8609.

**Conduct Requirements:** Employees or any adult participating in programs and activities covered by this Policy shall not:
• Have one-on-one contact with Minors; in general, it is expected that activities where Minors are present will involve two or more Authorized Adult participants/supervisors.
• Participate in a sleepover under the auspices of the program or activity, unless (1) two Authorized Adults are present or (2) an Authorized Adult has given his/her written consent and there is at least one other Authorized Adult or Employee, and the two Authorized Adults and/or Employees remain in each other’s presence at all times.
• Engage in abusive conduct of any kind toward, or in the presence of, a Minor.
• Harass or engage in the discrimination of a Minor.
• Strike, hit, administer corporal punishment to, or touch in an inappropriate or illegal manner any Minor.
• Pick up Minors or drop off Minors from their homes, other than the driver’s child or children or friends of the driver’s child or children other than when such child or children are present, at their homes in the adult’s personal vehicle, whether before, during, or after the program or activity.
• Engage in the use of alcohol or illegal drugs, or be under the influence of alcohol or illegal drugs during such programs or activities.
• Make pornography in any form available to Minors participating in programs and activities covered by this Policy or assist them in any way in gaining access to pornography.
• Engage in any activity that would risk the safety, health, or welfare of the Minor.

**Allegation of Inappropriate Conduct:** Employees participating in programs and activities covered by this Policy shall:
• Strive to ensure the health and safety of Minors participating in programs and activities covered by this Policy, and, when appropriate, remove Minors from dangerous or potentially dangerous situations. In such case, the Title IX/Sexual Harassment Officer, must be notified immediately and, in the event that the Title IX/Sexual Harassment Officer is not immediately available, then the Deputy Title IX/Sexual Harassment Officer(s) should be contacted.
• Discontinue any further participation in programs and activities covered by this Policy when an allegation of inappropriate conduct has been made against him or her, until such allegation has been satisfactorily resolved.

**CLASS ATTENDANCE**

Students are expected to attend all regularly scheduled classes, labs & other course-related activities. However, on some occasions students may need to be absent. Excused absences for college-approved activities & in cases of personal emergencies (*i.e. death in the immediate family or student hospitalization*) will be approved & issued by the Dean of the College. Instructors are privileged to establish reasonable absence regulations, which should be clearly stated on the syllabus & at the first class meeting. The suggested norm for a semester is that unexcused absences should not exceed twice the number of classes per week. This means that a student would be permitted four unexcused absences in a class that meets every Tuesday and Thursday, & six unexcused absences in a class that meets every Monday, Wednesday & Friday. When unavoidable absences occur, the student should explain the circumstances as soon as possible to the instructor. *Individual instructors will use their own discretion when*
choosing to excuse or not excuse an absence.
The instructor is expected to determine when the number of absences has reached the level where any additional absences would prevent the student from attaining the objectives of the course. This judgment should be communicated to the student with the warning that any further absences during the academic term will result in an automatic dismissal from the course & with a grade of “E” for non-attendance.

*The E will be factored into the GPA as 0 points.

**DROP/ADD PROCEDURE**

Students must complete the drop/add form available in the Registrar’s Office within the prescribed dates listed in the academic calendar for that term.

**FINAL EXAM POLICY**

No away co-curricular events can be scheduled during final exam week, including weekends. No home co-curricular events can be scheduled on the day or evening a final exam is scheduled. No student should be required to take more than two final exams in one day. Students scheduled for three or more final exams should contact their professors first to attempt to reschedule. If this is not possible, then contact the Academic Dean.

**Housing Policy**

Kentucky Wesleyan College provides students with an exceptional college experience. This means the College places great emphasis not only on academic success, but also on student’s successful engagement into campus life and opportunities. Residence Life programs are directed toward a great social experience, but are also designed to create academic enhancements as well as opportunities that maximize a student’s personal growth during their time at Wesleyan.

Residence Hall programming and living develops various skills that add value to the academic education Wesleyan students receive. This helps separate our students from the rest as they transition from school to careers and their new lives post college. With this in mind, we have set our housing policy to reflect this commitment.

Upon admission to the College, all students are required to submit a Commuter/Housing form, which is available in the Admissions Office, prior to enrolling.

**Residential Housing Requirement**

*Effective March 1, 2016*

All full-time Wesleyan students are required to live on-campus unless they meet our commuter student status which is listed below or one of the following exemptions:

- Students who have achieved a cumulative grade point average of 2.5 after completing 6 full-time (at least 12 hours) college semesters; **OR**
- Students who will reach the age of 21 prior to September 1 of the academic year with a cumulative grade point average of 2.5; **OR**
- Students who are classified as independent (as defined by the most recently filed tax return), married, or support a dependent over 50% as determined by the FAFSA; **OR**
- Students who meet our commuter requirements: living with an immediate family member over 21 years of age, defined as: parents, grandparents, sister, brother, aunt, uncle; or a legal guardian over 21 years of age, who live within 30 miles of campus.
All full-time Kentucky Wesleyan College students, regardless of age or residency status, who receive the equivalent of 75% tuition in institutional aid: KWC unrestricted, restricted, and endowed scholarships for academic, athletic, talent, and need base ($17,513 in 2016-17) are required to live on-campus unless they qualify as commuters (defined above).

It is understood that the housing contract includes both the fall and spring semesters, except for students who graduate in December. Students entering during the spring semester will only be under contract for that semester.

**Application to Live Off-Campus**
Requests for exemption to the residential policy must be submitted to the Student Services Office by completing the **Application to Live Off-Campus Form** with documentation that the student meets one of the criteria defined above. Upon acceptance to live off-campus, a signed notarized letter from your parents or guardian must be submitted verifying your housing status and address. Students who officially terminate their housing contract from the residence hall at any time during the academic year and subsequently continue full-time enrollment will forfeit their housing deposit and be assessed a $1,000 contract termination fee. The fee will be assessed to the student’s bill.

**Violation of Housing Policy**
Students are required to verify their housing status each semester by signing a housing affidavit at the required Student Life Update held on the first day of class. If a student is found in violation of the housing policy they will be charged room and board for each semester the policy has been violated; and be placed on Disciplinary Probation making them ineligible to participate in all Wesleyan co-curricular activities.

**Summer Housing for New Students**
*Effective August 1, 2008*
Due to liability concerns, prospective students, defined as students not enrolled during the previous spring semester or the current summer semester, shall not be eligible for summer housing. Only new students who are required to report early for preseason conditioning will be allowed to move to campus before the official opening date. All residential students must submit a housing form and their $100 housing deposit prior to checking in to their residence hall. New summer and fall students who enroll in an on-campus summer course are eligible to live on-campus.

**Students must be enrolled to be eligible for on-campus residency**
Students must be enrolled in the appropriate Kentucky Wesleyan College term to be eligible for on-campus residency. During semester breaks, students must be registered for the upcoming semester and paid in full to be eligible for on-campus residency.
INCLEMENT WEATHER CLASS CANCELLATION POLICY

Classes may be canceled due to severely inclement weather. The decision to cancel classes will be made by the Academic Dean by 6:00 a.m. and communicated immediately to the media and to the campus community by campus e-mail.

The following stations (radio and TV) are contacted and usually broadcast the information:

- Closing Hotline 270-852-3116
- WFIE-Channel 14 in Evansville
- FOX 7, News 25
- WBKR/WOMI, Cromwell Group

Students should listen for these announcements. Individual faculty members may also list their particular class cancellation policy on their course syllabus.

HOWARD GREENWELL LIBRARY CIRCULATION POLICY

1) All borrowers must present a Wesleyan photo ID or register for a Wesleyan library card before they check out materials.

2) Some materials may not be checked out. These include reference materials, periodicals and selected AV materials.

3) Loan periods and fines for circulating materials are as follows:

   - Books/CDs - checked out for 3 weeks - fine is 10 cents per day, with a maximum fine of $10.00 per book
   - DVDs/Videotapes - checked out for 3 days - fine is $1.00 per day, with a maximum fine of $10.00 per item.

4) The replacement charge for lost materials is the current price of the item plus a $10.00 processing fee. Charges for out-of-print or unavailable materials are assessed at the original cost (or $25.00, whichever is greater) plus a $10.00 processing fee.

5) Materials may be renewed only if all fines have been paid in full and all overdue materials have been returned. Materials that have been requested and reserved by another patron may not be renewed. Materials may not be renewed online one time through Kentucky Wesleyan College.

6) Borrowing privileges of patrons having overdue materials and/or unpaid fines or fees will be suspended. These privileges will be reinstated when all fines have been paid and all materials returned, or a replacement cost has been paid.

7) At the end of each semester, the Registrar will be notified of those students having overdue materials and/or unpaid fines or fees at Kentucky Wesleyan College, Brescia University and Owensboro Community & Technical College. Registration and transcripts will be held until all fines or fees have been paid and all materials returned.
MILITARY CALL TO ACTIVE DUTY (MILITARY LEAVE OF ABSENCE) POLICY

Students will be allowed to withdraw without penalty from the College and receive 100% credit for tuition and fees (less any financial aid which the student may have received for the term) and a prorated refund of room and board charges upon presenting an original copy of their orders to the Registrar. Some financial aid programs cannot be refunded after a certain date; these financial aid adjustments are subject to program regulations.

Alternatively, incomplete (I) grades in all classes, with no tuition and fee reimbursement, may be more appropriate when then withdrawal is near the end of the semester and incompletes are agreed to by the instructor(s) and the student and approved by the Registrar. However, if the student chooses to withdraw from only a portion of his/her classes and receive incompletes in the remaining classes, he/she would receive a partial reimbursement of tuition and fees only if the number of remaining credit hours is fewer than 12. In either of these alternative cases, the student will receive a prorated refund of room and board charges and be allowed to complete the course work according to the established policies of the College and the agreement with the instructor(s) involved.

Before returning to campus, students must notify the Registrar in writing at least 30 days before their return. The right to use College facilities is suspended while the leave is in effect.

MISSING STUDENT NOTIFICATION POLICY & PROCEDURES

The purpose of this policy is to establish procedures for the College’s response to reports of missing students, as required by the Higher Education Opportunity Act of 2008. This policy applies to students who reside in campus housing.

A Wesleyan residential student is “determined to be missing” when a missing person report investigation concludes that the student has been absent from the College for a period of 24 hours or longer without any known reason. The Vice President of Student Services & Dean of Students, or designee, in conjunction with the Assistant Dean of Students, will make the official determination of whether a student is deemed missing.

Note: In order to avoid any jurisdictional conflicts, when a commuter student is believed to be missing, the reporting person should immediately notify local law enforcement authorities. The Student Life Department will assist external authorities with the investigations as requested.

Procedure for designation of confidential emergency contact information

All residential students have the opportunity annually to identify an individual or individuals to be contacted by the VP of Student Services & Dean of Students not later than 24 hours after the time that the student is determined to be missing in accordance with the procedures set forth below. A designation will remain in effect until changed or revoked by the student. This information is maintained confidentially and will be available only to VP of Student Life & Dean of Students, Assistant Dean of Students, the VP of Finance, and Vice President of Academic Affairs and Dean of the College. The administration of the College reserves the right to notify the parents of a student under the age of 21 if she/he has been determined to be missing. Each student over the age of 18 has the option of opting out of the Missing Student Policy as per the Missing Student Procedures 20 USC 1092 (j) (Section 488 of the Higher Education Opportunity Act of 2008), through signing a waiver on the Missing Student Information Form.

For those students under the age of 18 and not an emancipated individual, the College is required to notify the emergency contact as well as the custodial parent or guardian no more than 24 hours after the student is determined to be missing.

Procedure for official notification for missing students

• Any concerned person who has information that a residential student may be a missing student must notify the VP of Student Services & Dean of Students or Assistant Dean of Students as soon as possible so that an official determination may be made about whether or not the student is missing.

• The Student Services Office and Residence Life Staff will gather all essential information about the residential student from the reporting person and from the student’s acquaintances. Appropriate campus staff will be notified to aid in the search for the student. Appropriate staff will include the Residence Director, the Assistant Dean of Students, VP of Student Services & Dean of Students, and Dean of the College.

• If the above actions are unsuccessful in locating the student within 24 hours, or it is apparent immediately that the student is a missing person (e.g. witnessed abduction) the student will be determined a missing student.
Within 24 hours after a student is determined to be missing, (1) the VP of Student Services & Dean of Students, or designee, will notify the emergency contact per emergency contact process; and will notify the appropriate local law enforcement agencies for assistance. In addition, the administration of the College reserves the right to notify the parents of a student under the age of 21 if she has been determined to be missing.
RESIDENCE LIFE

As we start another year, the 2016-2017 Residence Life staff would like to say welcome to all of you who are new to our campus and welcome back to those who are returning. We are looking forward to seeing our old friends and making many new ones.

Please let your RA, RD, or Assistant Dean of Students know if you have ideas for programs you would like to see us plan for your hall or for the whole campus. We will do our best to provide you with many fun and informative activities. Best wishes for a successful year!

RESIDENCE HALL POLICIES AND PROCEDURES

Wesleyan offers students a unique experience through its residence halls. Each residence hall is a community designed to enrich and broaden the educational experience of students. The residence halls are intended to meet the physical needs of our residential students, while providing activities and programs that contribute to their total educational experience.

Two objectives of higher education are to develop self-reliance and to form desirable and acceptable habits of conduct. All students living in the residence halls, as well as non-residential students and visitors, are expected to conform to the ordinary rules of polite society and to the regulations of the College; to respect the rights of others; and to have regard for the preservation of College property as well as the property of others. If a student has questions about the residence hall regulations, the first contact should be their Resident Assistant.

The following regulations have been established to ensure a desirable living environment conducive to sleep, study, and social interaction among residents. Students who are alleged to have violated these regulations will be referred to the Student Services Office for appropriate disciplinary action.

I. Room Assignment and Change Policies

1) Room Assignment - Residence hall rooms are assigned by the Student Services Office. Once a student has been assigned to a room, the student may not move to another room in any residence hall without first receiving written permission from the Assistant Dean of Students.

2) Room Change - Room Changes will only be permitted during a specified time each semester. Room change requests outside those specified times will only be permitted if the Assistant Dean of Students determines that extenuating circumstances exist, and the change is approved by the Student Services Office.
   a. Once a room change has been approved, all students involved in the change must move to their new room assignment(s) within 48 hours of permission being granted.
   b. Any student involved in a room change who fails to move within that 48-hour deadline will be assessed $25 per 48 hour period.
   c. Any student who fails to move within another 48 hours will lose the opportunity to change to the newly assigned room.

3) Unauthorized Room Change - Any student who makes an unauthorized room change at any time during the year will be assessed $100, referred through Student Conduct system, and will be required to move back into their original room. The College reserves the right to reassign individuals to different rooms at any time, if such reassignment is deemed necessary.

4) Consolidation - A student living alone in a regular semi-private room, who is either ineligible for a private room or who does not want to pay the additional price for a private room, will either be moved into another regular semi-private room with another student who is either ineligible or who also does not want to pay the additional price for a private room, or will have another student moved in with her/him. This policy will apply until Spring Break of the academic year.

5) Private Rooms - If space is available, private rooms will be given to those students requesting one, based on the following criteria:
   a. Number of hours completed at Kentucky Wesleyan College,
   b. Cumulative GPA at Kentucky Wesleyan College,
   c. Date of birth and judicial history.

Prior to the room consolidation meeting held each semester, students requesting a private room by the
stated deadline will be ranked according to the criteria listed above. Students requesting a private room after the stated deadline will have their names added to the bottom of the list of those students ranked according to the criteria listed above. If a student is offered a private room and declines, but later wishes to have their name placed on the private room waiting list again during the same academic year, it will be placed at the end of the list and previous rankings will not be considered.

6) **Premium Living Arrangements** - Students wishing to live in Stadium Drive, Peeples Hall Suites, or Massie residence halls must apply and maintain a minimum 2.0 GPA to remain in their respective halls.

7) **Disabled Student Housing** - Under Kentucky state law, each college or university in the state is required to give priority for first floor housing to disabled students who notify the institutions of their disability. If first floor housing is unavailable, the institution will allow the student to seek alternative on-campus or off-campus housing.

8) Meningitis, flu and hepatitis B vaccines and T.B. skin tests are available to the student at cost. Contact the Student Health Office for more information.

II. **Check-In, Check-Out and Billing Policies**

1) **Room Condition Report (RCR)** - Upon checking into their room, both occupants of the room must review and sign a RCR for their room verifying that the information on the RCR, regarding the condition of their room and its furnishings at the time of check-in, is indeed accurate. It is each resident’s responsibility to make sure their RCR accurately reflects the condition of their room and its furnishings, at the time of check-in. **Students who fail to make the necessary notations on their RCR within 24 hours after they check into their room, who are not present at check-out, or who have utilized the express check out option, when the R.A. or R.D. makes the end-of-the-year notations on the RCR, may not dispute the charges for which they are assessed at the end of the school year.**

2) **Housing Deposit** - All students living in a College residence hall must pay a $100 housing deposit, which is a security deposit and is held by the College until the student permanently leaves College housing. Returning students must have $100 in their residence housing deposit account by each July 1st, or a $25 non-refundable late fee will be assessed. **Students who will not be returning to the residence halls the following fall must notify the Student Services Office by July 1st or they will forfeit their housing deposit.**

3) **Mandatory Meetings** - Throughout the year mandatory hall meetings may be held. A 24 hour notice will be given to all residents. Failure to attend will result in a $25 fine and/or 5 hours of community service.

4) **Hall Closures** - The residence halls are closed during all College vacation periods (Thanksgiving, Christmas, Spring Break, and summer). Notification informing residents of the date and times the building will close, as well as when it will reopen following each vacation period is sent through campus mail and communicated through signs in halls and flyers in mailboxes at least one week prior to each vacation period. Only residents granted permission by the Student Services Office to remain in the residence halls during vacation periods will be allowed to stay. All other residents should make travel plans or alternate housing arrangements for the Thanksgiving, Christmas and Spring Break vacation periods that allow them to be checked out of the residence hall by the official closing time.

5) **Leaving After Finals** - Students are required to leave the residence hall within 24 hours after their last final exam ends for both the fall and spring semester exam periods. Students wishing to remain in the residence halls beyond that 24-hour time need written permission from the Assistant Dean of Students. The Assistant Dean will use his/her discretion in granting permission, based on guidelines established by the Student Services Office. All students must leave the hall by the announced hall closing time, even if 24-hours has not passed since their last final. Students who do not leave by the announced hall closing time will be billed $25.00.

6) **Staying Later or Arriving Earlier than closure/opening date** - students sometimes have a need to stay. In extraordinary circumstances, students who need to stay or arrive early should submit a written request to stay late/arrive early to Student Services Office Staff. There is a per night charge to stay in hall of $30.00.

7) **Checking Out Of Residence Hall Room** - Students who withdraw from the College or check out of the residence hall at any time during the school year must do the following:

• Either complete and Express Check Out or check out with staff and sign the RCR
• Return their room/hall key(s) to the Residence Director

Students who do not check out of the hall by the arranged check-out deadline or process will be assessed $50 minimum fee and a $30.00 per night charge. If students do not return all keys issued to them for the hall a fee of at least $100 per key will be deducted from their residence hall/damage deposit account. Keys need to be returned prior to departure to the Residence Director of the hall or staff in Student Services Offices.

8) **Public Area Damages** - The costs to repair damages to the building or furnishings outside of student rooms will be assessed to the residents of the wing/floor where the damage occurred, or if in a public area available for use by all residents (i.e. lobbies, laundry rooms), it will be assessed to all the residents in the building. These assessments will be deducted from each resident’s hall damage deposit.

9) **Laundry Card** - All residential students will receive a laundry card loaded with 100 laundry (washing/drying) cycles to use throughout each semester. This equates to over six cycles (three full loads) per week. Cycles will carry from fall to spring semester, but not from one academic year to another. Students will have the ability to add more to their card as needed. The cost is $100 per semester and will automatically be assessed to all residential students. **Each student will pay a $10 refundable deposit for the laundry card.** When the card is returned at the end of the year, the $10 deposit will be refunded (similar to the mailbox key system). Please contact the Student Services Office at 270- 852-3285 with any questions.

RESIDENCE HALL ROOM ENTRY AND SEARCH AND SEIZURE POLICY

The College respects and is committed to protecting each student’s rights. However, it is also responsible for ensuring that adequate attention and protection are extended to all persons on campus, to the educational and service functions of the College, and to College property. To this end there will be times when College Officials, acting in the confines of their job, will need to enter student spaces. The following outline some typical instances where staff might enter a student room.

• Health and Safety Inspections - Within the residence halls, the Resident Director, with the approval of the Student Services Office, may conduct periodic room inspections (accompanied by another party) for health and safety violations. In most cases, a minimum of 24-hours’ notice will be given in advance of the inspection by the residence hall staff. However, the College reserves the right to enter any student room at any time. The College decides to do so in its sole discretion and may look into any property (College or student owned). All areas of a Residence Hall are College property. Although students bring items to campus, for example a refrigerator, College officials have the right to search those items if there is reason to believe the student is in violation of College property or for safety reasons. If a College staff member observes items that are not permitted in the residence hall in a student’s room, these items will be confiscated. With the exception of alcohol and illegal items (such as drugs, illegal weapons, etc.), confiscated items will be returned to their owners, typically at the end of the school year. Alcohol will be disposed of when it is confiscated. Illegal items will generally be turned over to the police.

It is understood and agreed that residence hall rooms are College property, are not considered permanent residence for students, and therefore tenant/landlord laws do not apply. A student’s family home is still considered his or her permanent address.

• Law Enforcement Entry - State and federal laws govern the entry of police officers into your room to investigate illegal activity. Lawful searches include, but are not limited to, a search with a search warrant and a search in which the resident has given permission for the search (verbally or by waiver).

• Policy Violations in Progress - A Student Life or residence hall staff member may enter a student’s room at any time if the staff member has reason to believe a residence hall regulation or Student Code of Conduct violation is occurring in the room. Evidence of alcohol or drug use in the room or elsewhere in the hall also warrants probable cause for room searches (including drawers, closets, refrigerators, etc.) with the resident present.

• Threat to Self, Others or Property - Residence Life staff may also enter or search your room without your
permission if there is a threat to the safety and well-being of persons or property, or for reasons stated below. Under such conditions, a staff member may enter and search your room whether you are present or not. Another member of the Student Life staff and possibly other officials will assist the staff member if it is thought that such danger is connected with fire, chemicals, explosives, weapons, or other items that could cause serious personal trauma or injury.

If a staff member enters your room with your permission and sees a violation that threaten the health, safety, and welfare of the College community, the staff member will confiscate all objects or materials that constitute a threat and take them as evidence to the Student Services Office. Other staff members or students may be asked to assist in an emergency situation requiring room entry if the situation threatens immediate harm to individuals. Staff will not, except as noted above, admit a third party to your room without obtaining your written or oral permission.

RESIDENCE HALL EMERGENCY RESPONSE PROCEDURES

1) In all cases of emergency, students should contact their RA, RD, or the Student Services Office.
2) Students must vacate the building whenever the fire alarm sounds. Students remaining in the building or who enter the building before they have been given permission to re-enter after the alarm has ended, will be subject to disciplinary action.
3) Students are required to leave their rooms or other areas of the building during the sounding of severe weather sirens, and immediately go to the basement, if available, or first floor internal areas of the building, if a basement is not available. Students who fail to follow this procedure will be subject to disciplinary action.

Note: Sirens in Owensboro and Daviess County are tested at noon on Fridays.
4) Students who become ill should contact their Resident Director and/or the campus nurse.

SOLICITATION POLICY

Group or general solicitation of funds may be initiated by departments or individuals at the College only with the advance, written approval of the Advancement Office. To avoid multiple appeals and/or solicitation of gifts from individuals, businesses, organizations, or foundations, and to prevent institutional and donor embarrassment, the Advancement Office must approve all solicitations in advance and in writing. In addition, individuals or firms seeking permission to use the College, its official seal or other Wesleyan symbols on a product for commercial purposes should obtain prior approval from the Public Relations Office. This includes give-away items containing commercial advertising for distribution on campus.

STUDENT LIFE SOCIAL EVENT POLICY

The following policy applies to all organizations, or groups who wish to hold a Wesleyan sponsored social event that includes Wesleyan students or non-Wesleyan students outside of their membership. A Wesleyan sponsored event is any approved on or off campus event paid for with Wesleyan funds.

1) All student organizations wishing to hold Wesleyan sponsored parties or social functions on or off campus must obtain permission from the Student Services Office at least two weeks prior to the function. Failure to comply will result in the denial of the request and disciplinary action.
2) No alcoholic beverages are permitted. Violation of this rule may lead to suspension of social privileges of the individuals and organizations or other disciplinary action.
3) All current Wesleyan students who attend this event must present a valid Wesleyan ID to a sponsoring group member. Wesleyan students are allowed to bring one non-Wesleyan guest to non-Greek events who must be at least 18 years of age and must also provide the sponsoring group with valid identification. This will prevent the need for a current student list and allow the sponsoring organization to control the number of non-Wesleyan guests. National organizations (i.e., fraternities and sororities) must abide by their national policies as well as the Wesleyan policy. To avoid confusion, the policy that is the most restrictive must be the policy that is followed. A ratio of 2 to 1 indicates two non-active members (Wesleyan students or non-Wesleyan students) for every active member.
4) In the event of an off campus school sponsored event, an off-duty law enforcement officer (i.e., Daviess County Sheriff’s Office, Owensboro Police Department) must be hired to serve as a security guard and required to patrol the area during the entire duration of the event. The Student Services Office reserves the right to require security for all Wesleyan social events, and does require one guard per 100 people at on-campus events.
5) The final responsibility for the conduct of each person at a social function rests with the sponsoring group.

SEXUAL ASSAULT/HARASSMENT POLICY

The Sexual Assault/Harassment policy is under revision as of June, 2014. Please refer to Panther Net for the most up-to-date information found in the student handbook.

1. Contents
2. Purpose
2.1. The purpose of this policy on sexual harassment is: 1) to increase the awareness of, and sensitivity to, problems associated with sexual harassment; 2) to prevent sexual harassment at Kentucky Wesleyan College; and 3) to provide a process to redress grievances concerning, and complaints of, sexual harassment. Furthermore, this policy is adopted and implemented with the express purpose of providing protection and relief for victims of sexual harassment, while at the same time insuring fair treatment for those accused of sexual harassment. Additionally, this policy is intended to establish equitable procedures for filing complaints, investigating charges, and resolving complaints of sexual harassment.

3. Scope
3.1. All members of the College community are required to comply with the policy and procedures outlined to address complaints. In addition to the procedures outlined herein, discrimination and harassment complaints may be filed with the U.S. Equal Employment Opportunity Commission or the U.S. Department of Education, Office for Civil Rights. Any complaint of sexual harassment filed under this Wesleyan policy shall be processed even if the complainant also files a complaint or suit with an outside source. Retaliation against anyone who makes a complaint or participates in the complaint process will not be tolerated.

4. Policy
4.1. Sexual Harassment
4.1.1. Wesleyan is committed to providing a working and learning environment that is free from sexual harassment and it is the policy of the College that sexual harassment in any form will not be tolerated. Management and supervisory personnel, at all levels, are responsible for taking reasonable and neces-
sary action to prevent sexual harassment. All members of the College community, employees, and students are required to promptly report conduct that could be in violation of this policy.

4.1.2. Wesleyan takes measures to periodically educate and train employees regarding conduct that could constitute a violation of this policy. All management and supervisory personnel are expected to participate in such education and training and to be knowledgeable concerning the policy.

4.1.3. The College will (1) respond to every complaint of sexual harassment reported, (2) take action to provide remedies when sexual harassment is discovered, (3) impose appropriate sanctions on offenders in a case-by-case manner, and (4) to the extent possible, protect the privacy of all those involved in sexual harassment complaints. The above actions will apply to the extent permitted by law or where personal safety is not an issue.

4.2. Sexual Assault

4.2.1. Wesleyan is committed to providing an atmosphere of higher learning in which students can achieve their goals and potential. The College is committed to creating and maintaining a community in which all persons who participate in college programs and activities, as well as all guests and visitors while on college property, can work together in an atmosphere free from all forms of assault, exploitation, or intimidation, including that which is sexual in nature. Because the personal safety of the students, staff and faculty is a priority, Wesleyan will not tolerate sexual assault or sexual misconduct. Kentucky state law also prohibits such conduct. Perpetrators of this behavior are subject to disciplinary action as well as criminal and civil penalties. Guests and visitors are held responsible for their actions while on College property and students are responsible for the supervision of their guests.

4.2.2. Sexual assault is an act of violence. The victim of an assault may be in a state of shock and disbelief, and may be feeling a variety or emotions such as fear, anger, helplessness, shame, and/or guilt. A victimized person may not know who to trust or where to turn for help. Any person who has been sexually assaulted has many options in seeking assistance. A number of resources are available both on and off campus to assist assault victims. Although it is the person’s option whether to seek legal, medical, and/or psychological services, persons are encouraged to utilize these resources in order to make the most informed choices regarding prosecution, physical safety, and emotional recovery. Please see Addendum 2 for additional support information.

4.3. Dissemination -- This policy will be made available to all employees and students. Periodic notices sent to students and employees about Wesleyan’s Sexual Harassment and Sexual Assault Policy will include information about the complaint procedure and will refer individuals to designated offices/officials for additional information.

5. Definitions

5.1. Sexual Harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

5.1.1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or educational experience;

5.1.2. Submission to or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual;

5.1.3. Such conduct is sufficiently severe and pervasive so as to alter the conditions of, or have the purpose or effect of substantially interfering with, an individual’s work or academic performance by creating an intimidating, hostile, or offensive working or educational environment.

5.1.4. Harassment does not include verbal expressions or written material that is relevant and appropriately related to course subject matter or curriculum, and this policy shall not abridge academic freedom or the College’s educational mission.

5.2. Sexual Misconduct/Sexual Abuse - Attempting or making sexual contact with a person against his/her will OR with a person who is physically, mentally, or legally unable to give consent. Sexual misconduct includes, but is not limited to, inappropriate touching or fondling of intimate body parts.

5.3. Sexual Assault / Rape – Sexual intercourse or penetration (anal or vaginal) with another person by means of forcible compulsion, or with a person incapable of consent by reason of age and/or mental or physical incapacity. Physical/Mental incapacity includes, but is not limited to, persons who are unconscious, under the influence of drugs or alcohol, or otherwise unable to communicate consent.
5.4. Consent - The positive cooperation in an act; an attitude in accordance a behavior; an exercise of free will. The person giving consent or permission must act freely and voluntarily AND have knowledge of the nature of the act involved.

5.5. Forcible Compulsion – Includes physical force or the threat of physical force, expressed or implied, which places a person in fear of immediate death or physical injury or kidnap of self or another person. A victim is not required to fight back. Placing a person in a continual state of fear and/or subjecting that person to an environment of emotional, verbal, or physical duress is sufficient to constitute force.

6. Procedures

6.1. Amendments to Procedures

6.1.1. The College specifically reserves the right to modify and/or amend any or all of the procedure(s) outlined herein at any time, at its discretion. In the event Wesleyan determines that circumstances warrant modification and/or amendment of any part of these procedures, timely notice of same shall be delivered, in writing, to all relevant and affected parties.

6.1.2. Wesleyan has adopted procedures to promptly and fairly address concerns and complaints about sexual harassment. Complaints may be submitted informally or formally. If a complaint implicates or involves both this policy and any other College complaint or grievance policy or procedure, the College may, in its discretion, suspend the procedures relating to other complaints or grievance policies pending completion of the sexual harassment complaint procedures.

6.2. Reporting Suspected Sexual Harassment

6.2.1. Any individual who believes he/she may have experienced sexual harassment, or who believes that he/she has observed sexual harassment taking place, should report this information immediately to the Sexual Harassment Officer, appointed by the President. If the complainant does not feel comfortable reporting the matter to the Title IX/Sexual Harassment Officer, he/she may also report the alleged harassment to any one of the following: Vice President of Student Services, Vice President of Academic Affairs or the Director of Human Resources. All reports/complaints, whether informal or formal, received by any of these individuals must, in turn, immediately be reported to the Title IX/Sexual Harassment Officer. Unless otherwise provided herein, investigation of sexual harassment complaints shall be the responsibility of the Title IX/Sexual Harassment Officer (the “Investigator”).

6.3. Investigation of Complaints

6.3.1. Unless otherwise provided herein, responsibility for the investigation of both formal and informal sexual harassment complaints shall be with the Sexual Harassment Officer (the “Investigator”). The President has the authority to appoint, in his/her sole discretion, an alternate investigator as circumstances require. The procedures outlined herein shall control in the event an alternate investigator is appointed under any provision of this policy.

6.3.2. Complaints will be addressed as confidentially as possible, considering the specific circumstances of the allegations, to protect the rights of both the complainant and the person accused. The Investigator may gather information from any source deemed necessary in an effort to fully investigate and resolve the complaint.

6.4. Investigator Conflict of Interest

6.4.1. The complainant, alleged offender and/or the Investigator may allege that the Investigator has a substantial conflict of interest. In that event, details supporting the alleged conflict of interest must be submitted in writing to the President within five (5) business days of the date the person alleging the conflict has notice of the Investigator’s identity. The President will determine whether a conflict may exist, and, if so, he/she shall appoint an alternate investigator in an expeditious manner. The President’s decision is final. In the event a request for an alternate investigator is made and/or an alternate investigator must be appointed, the specific time lines provided in the policy shall be suspended pending that appointment.

6.5. Informal Complaint Process

6.5.1. An individual who feels he/she has been sexually harassed may desire to resolve his/her complaint informally (i.e., without formal disciplinary action being taken against the accused individual and with-
out the formal investigation process). An example of an informal complaint is one where the complainant requests only that an appropriate university official counsel the accused individual to cease and desist the alleged conduct, and requests no other specific action(s) be taken against the accused.

6.5.2. Persons making informal complaints of sexual harassment agree and understand that no formal disciplinary action will be taken against the alleged offender based on an informal complaint. If the complainant chooses, he/she may at any time prior to resolution of the informal complaint amend the informal complaint to a formal complaint. The timeline for resolving the complaint may be revised when it is changed from an informal to formal complaint.

6.5.3. If the alleged offender elects not to participate in resolving an informal complaint, the nonparticipation will not be considered as damaging evidence but will not change or waive Wesleyan ’s responsibility to investigate and to make decisions based on available information.

6.5.4. The Investigator may, if the circumstances warrant, request that the alleged offender’s immediate supervisor counsel him/her regarding the alleged conduct, and/or may recommend counseling, training, education, and/or other non-disciplinary actions be implemented or undertaken. Attempts to resolve an informal complaint will be completed within 60days from the date of receipt of the complaint by the Investigator. The complainant and the alleged offender will be informed in writing of the outcome of the informal process. An informal complaint resolution may not be appealed, but a formal complaint on the same incident may be filed after an informal complaint has been resolved.

6.5.5. Note: The College will attempt to balance the wishes of a complainant who does not want to file a formal complaint with the College’s responsibility to respond to serious allegations and take prompt, appropriate corrective action. A complainant who chooses not to proceed with a formal complaint will be asked to state that preference in writing.

6.6. Formal Complaints of Sexual Harassment

6.6.1. Formal and informal complaints must be delivered by the complainant to one of the reporting persons referenced above under 6.2.1. The formal complaint must be filed as soon as possible after the alleged incident occurred or after attempts to resolve the situation informally have been unsuccessful. A standard form for documenting and submitting the complaint is provided in Addendum 1 to this policy.

6.6.1.1. The formal complaint must be in writing, signed by the complainant, and shall include the following information:

6.6.1.2. Details concerning the incidents or conduct giving rise to the complaint;
6.6.1.3. Dates and location of incidents;
6.6.1.4. Any witnesses to the alleged incidents or conduct;
6.6.1.5. Action requested to resolve the complaint and prevent future violations of the policy.

6.6.2. Notification to Person Accused/Supervisor: The alleged offender will be provided with a copy of the complaint by the Investigator within five (5) business days of the Investigator’s receipt of said complaint. The Investigator may notify the supervisor of the accused person regarding the complaint, in order that the supervisor may take appropriate temporary and/or remedial actions during the investigation. (Example: temporary assignment, leave of absence, etc.)

6.6.3. Investigative Process

6.6.3.1. The alleged offender will be required to submit a written response to the complaint within five (5) business days of receipt of a complaint, a copy of which will be provided to the complainant by the Investigator.

6.6.3.2. The Investigator will interview the complainant and the alleged offender, may also interview witnesses, supervisors, and/or any other persons who may have information about the alleged incident, and may review personnel or other records relevant to the complaint. The complainant and the accused person shall be permitted to suggest witnesses and/or other evidence, which shall be considered by the Investigator. All individual interviews will be recorded.

6.6.4. Investigative Findings

6.6.4.1. Within sixty (60) days of receiving the formal written complaint, the Investigator will assess
whether a violation of the policy has occurred and will submit findings in writing to the complainant and the person accused. If the Investigator finds by a preponderance of the evidence (that it is more likely than not) that the alleged sexual harassment has occurred, the Investigator shall notify the accused person, his/her immediate supervisor, if applicable, and the Vice President of Student Services, if the complainant or the accused is a student, the Director of Human Resources, if the complainant or the accused is a staff or faculty member, and the President.

6.6.4.2. The supervisor of the alleged offender shall be responsible for acting on the findings of the Investigator. In accordance with College disciplinary policies/procedures, the supervisor shall consult with and/or notify the appropriate College administrative official(s) regarding formal disciplinary actions to be taken against the person accused.

6.6.5. Disciplinary Action

6.6.5.1. Within ten (10) business days of receiving the Investigator’s findings, the supervisor shall meet with the accused person to discuss the findings and recommendations and shall determine appropriate disciplinary action.

6.6.5.2. In making a decision regarding discipline, the supervisor shall consider properly established records of previous conduct and the seriousness of the violation. A complaint made more than twelve (12) months after the incident shall not be the basis for formally disciplining any person accused of sexual harassment. However, where there are allegations of sexual harassment made within the twelve (12) month period and a pattern or practice of sexual harassment exists or prior complaints of sexual harassment have been confirmed, the supervisor shall consider the totality of information in determining appropriate discipline, and may also take formal disciplinary action. The supervisor may also review any part of the investigative records. Appropriate discipline may range from an oral reprimand up to and including termination/dismissal for cause or any other appropriate remedial action.

6.6.5.3. Both the accused person and Investigator will be notified in writing of the decision of the supervisor. The Investigator will, in turn, notify the complainant regarding the resolution of the complaint, what corrective action, if any, will be taken, and/or, in general, whether any discipline will be imposed.

6.6.6. Conflict with Legal or Other Administrative Process

6.6.6.1. In the event a separate investigation is being conducted by persons not affiliated with Wesleyan through other legal or administrative channels, the College reserves the right to postpone or defer final action pursuant to its Sexual Harassment Policy until such time as a final decision has been made with regard to the separate legal or administrative action. The College will inform the complainant and the accused in writing of the delay of any decision but will endeavor to complete the process in an expeditious manner, considering all the circumstances. Temporary disciplinary measures may remain in place in the interim.

6.6.7. Appeal of Formal Complaint Resolution/Disciplinary Action

6.6.7.1. Either the complainant or person accused may file an appeal of any decision concerning the resolution of the complaint. An appeal by either party must be made in writing and delivered to the Office of the President within five (5) business days of receipt of the notice of resolution/disciplinary decision. The written appeal must state in detail the reason(s) for the appeal and shall address one or more of the following:

6.6.7.1.1. If the appeal alleges the findings of the investigator included relevant, factual errors or omitted relevant facts, the appeal shall specify each and every alleged factual error, and/or details of each, and every relevant fact that was omitted from the investigation;

6.6.7.1.2. If the appeal alleges substantive procedural errors, the person appealing shall identify each and every instance of said substantive procedural error;

6.6.7.1.3. If the appeal alleges relevant and substantive issues or questions concerning interpretation of College policy, the person appealing shall state, in detail, the issues/questions supporting this allegation;
6.6.7.1.4. If the appeal alleges new information or evidence, the person appealing shall specify the reasons why said information was not available or provided to the Investigator during the investigation, including specific reasons;

6.6.7.1.5. If the appeal alleges either that the action(s) or inaction(s) of the supervisor in response to the findings of the investigator will not prevent future violation(s) of this policy, the person appealing shall specify, in detail, the reasons and basis for this belief/allegation.

6.6.7.2. No disciplinary or other action based on the complaint shall be taken against the alleged offender during the appeal process, although temporary, interim measures may remain in place. As indicated herein, the College, in its discretion, may at any point in the complaint process elect to place the alleged offender on disciplinary probation, if a student, or on administrative leave, with or without pay, or implement a temporary reassignment, if an employee, staff or faculty member.

6.6.7.3. Sexual Harassment Appeal Committee

6.6.7.3.1. Appeals shall be submitted to a Sexual Harassment Appeal Committee whose members shall be selected and appointed by the President. The Committee will include at least one male and one female and be composed of an odd number of members to insure a majority consensus is feasible.

6.6.7.3.2. Member Appointments: Both the complainant and the alleged offender shall be provided with an opportunity to submit written objections within 5 business days to the appointment of any Committee member(s) on the basis of that member’s inability to act impartially. If the President determines that a Committee member cannot act impartially, then an alternate appointment shall be made. The Committee shall be appointed in a timely manner, considering all relevant circumstances. The President’s decision regarding Committee appointments is final.

6.6.7.3.3. Hearing/Committee Recommendation: The Committee will conduct a formal hearing and will allow the complainant and the accused person (“the parties”) to present information which, in the Committee’s discretion, is relevant to the allegations. If the appeal involves allegations described in “Filing an Appeal” above, the Committee will likewise consider the statement(s) of the supervisor. The Committee shall have sole discretion regarding the personal appearance of any witness, whether to consider only the parties’ statements and review only the written record, or any other matter regarding the conduct of the hearing. The hearing will not be considered a judicial hearing but rather an internal hearing at which the complainant and the alleged offender are present. Legal counsel will not be permitted to be present during any part of the Committee hearing. The formal hearing shall be recorded.

6.6.7.3.4. The Committee’s deliberations shall be closed to all persons other than the Committee members and shall not be recorded. Its recommendation will be determined by a majority vote, shall be in writing, and delivered to the President. It may be accompanied by a minority opinion. The appeal will be conducted and completed in an expeditious manner, considering all the circumstances.

6.6.7.3.5. President’s Review and Recommendation: The President shall review the recommendation and may either affirm, amend, or return the recommendation for further deliberation and recommendation by the Committee. The President’s review and decision will be conducted in an expeditious manner, considering all the circumstances, shall be a final decision, and will be reported in writing to the complainant, person accused, the supervisor, and the Investigator.

6.6.8. Written Record of Complaints, Investigations, and Resolutions/Decisions

6.6.8.1. Written records, as well as any investigative recordings, related to complaints will be marked “CONFIDENTIAL” and will be retained in a separate and secure (locked) file in the office of the Sexual Harassment Officer. Records shall be retained as required by state law.
6.6.8.2. Written records relating to a finding that sexual harassment has occurred may be placed in an accused student’s/employee’s official file and may include:

1) Any document that has been mutually agreed to by the College and the person accused of harassment;

2) A letter issued by the responsible administrator to the accused person at the conclusion of a formal investigation, which notifies the accused of actions, decisions and/or other recommendations concerning the complaint; or

3) A settlement agreement between the parties.

6.7. If follow up is required pursuant to the final action/recommendation, procedures should be implemented to notify or remind the appropriate persons of any future review or action to be taken.

SEXUAL HARASSMENT & ASSAULT
COMPLAINT FORM

Sexual assault is an act of violence. The victim of an assault may be in a state of shock and disbelief, and may be feeling a variety of emotions such as fear, anger, helplessness, shame, and/or guilt. A victimized person may not know who to trust or where to turn for help. Any person who has been sexually assaulted has many options in seeking assistance. A number of resources are available both on and off campus to assist assault victims. Although it is the person’s option whether to seek legal, medical, and/or psychological services, persons are encouraged to utilize these resources in order to make the most informed choices regarding prosecution, physical safety, and emotional recovery.

If you are the victim of a sexual assault, please know that you are in no way to blame for the criminal behavior. If you notice behaviors in other persons that indicate Sexual Harassment or Assault may have occurred, you are required to report the suspicion to the Sexual Harassment Officer.

Here are some guidelines to help you in the aftermath of a sexual assault:

1. **GO TO A SAFE PLACE** as soon as possible.

2. **TRY TO PRESERVE ALL PHYSICAL EVIDENCE.** Do not wash, bathe, use the toilet, or change clothing if it can be avoided. If changing clothes is a must, put all clothing worn at the time of the assault in a **paper bag, not plastic.** A plastic bag can be used if paper is not available. However, do not seal the bag tightly, as that can cause a breakdown of the evidence.

3. **IF YOU BELIEVE YOU WERE GIVEN A DATE RAPE DRUG,** wait to urinate until you arrive at the hospital. However, if you can’t wait, collect your first urine in a clean container with a lid and take it to the emergency room or police station with you. Also, be sure to tell the emergency room personnel your symptoms and that you believe you were given a date rape drug so they can take the necessary sample.

4. **CONTACT SOMEONE** for support and information (family, friend, Resident Life staff member, College staff, College Chaplain, or campus security).
   i) For on-campus services, contact:
      (1) Health Services at (274) 852-3288
      (2) Student Services Office at (270) 853-3286.
   ii) For off-campus counseling and support services, contact:
      (1) Counseling Associates at (270) 686-7999
      (2) Rape Victim Services at (270) 926-7273
      (3) OASIS (Abuse/Assault) at (270) 685-0260

5. **SEEK MEDICAL ATTENTION** to address physical health needs, to ensure that you are disease – and injury-free, and to collect important evidence in the event of a later decision to take legal action. Hospital emergency rooms provide evidentiary exams, which include testing and treatment for sexually transmitted infections, pregnancy, and physical trauma. For the purpose of effective evidence collection, physical examination at a local emergency room must take place as soon as possible and no later than seventy-two (72) hours after the assault.
   a) Emergency medical care can be received at Owensboro Health Regional Hospital Emergency Department (call (270) 417-2000). - For victims assaulted in the Commonwealth of Kentucky, these exams are free of charge.
b) Need transportation, call Campus Security ((270) 929-8609 for assistance.

c) If you choose not to have an evidentiary exam conducted, please consider an appointment at a health department, Health Services ((270) 852-3288), or with your regular physician.

6. **CONSIDER COUNSELING** for support and to help you deal with a variety of feelings that often follow an assault.
   a) Contact any of the following for confidential counseling services.
      i) Counseling Associates at (270) 686-7999
      ii) Rape Victim Services at (270) 926-7273
      iii) OASIS (Abuse/Assault) at (270) 685-0260

7. If you choose to **REPORT THE ASSAULT**, you can contact law enforcement by calling 911 or campus security at (270) 929-8609.
   a) A call to campus security does not mean that you must bring criminal charges. The decision to file an official police report is yours to make. If the assault did not occur on campus, campus security can assist you in determining how and where to file a police report. Timely notification helps the police in conducting their investigation and it provides a better chance of successful prosecution. You are encouraged to report the sexual assault and have it documented, even if you are not sure about filing formal criminal charges. Regardless of whether you report the incident to the police, you are still encouraged to seek medical attention to ensure your own personal safety.
   b) Reporting an assault and receiving medical treatment does not require that the victim press charges. It does, however, allow the collection of data and information that can be used should the victim choose to press charges.
   c) If you **NEED ASSISTANCE OR ADVOCACY**, contact any of the following for accompaniment to medical and/or legal proceedings and/or referral for other support services.
      • Residence Life staff member
      • Student Life - 270- 852-3286
      • College Chaplain - 270- 852-3289
      • Counseling Associates - 270- 686-7999
Pursuit of disciplinary action against an alleged assailant (if the accused is also a Wesleyan student) may result in disciplinary action if the assailant is found to be in violation of this policy. For assistance, please contact the Office of Student Life at (270) 852-3286, the Title IX Coordinator, or refer to the Student Grievance Procedure contained herein.

Criminal Prosecution
Reporting a sexual offense to the police begins the legal process for prosecution. The sooner an assault is reported to the police, the more likely valuable evidence can be collected.

If you decide to file a criminal report, please contact Campus Security ((270) 929-8609 or the local law enforcement agency where the crime occurred.
• Owensboro Police Department at (270) 687-8888
• Daviess County Sheriff at (270) 685-8444
• Kentucky State Police at (270) 685-3927

Civil Complaint
A civil suit for damages may be brought against the assailant regardless of whether criminal or campus judicial charges are pursued. If you wish to explore this option, please contact a private attorney.

Reporting Requirement
Although you are not required to report sexual assault to the police, you are encouraged to give serious consideration to this option. Please be aware that if you go to the hospital, the staff wills most likely report the assault to the police. It is up to you, however, to decide if you want to talk to the officer or not. Reporting an assault to the police does not mean you have to prosecute. You may not wish to prosecute or you may not feel prepared to make that decision right now. However, a delayed report could result in loss of physical evidence which would be vital in the court proceedings should you change your mind about prosecution.

Risk Reduction
Wesleyan recognizes the need for healthy and successful relationships. Prevention of sexual assault begins with those who are committing the offenses, but can be supplemented by the use of methods to reduce the risk of potential victimization. All persons can play a role in combating sexual assault by holding perpetrators accountable for their actions, supporting the rights and choices of those who have been assaulted, and making full use of campus resources to educate themselves on this serious problem. Unfortunately, sexual assault can still happen, even when you take all the necessary precautions.

The following guidelines can significantly decrease your risk of assault. It is important to realize that if you have been sexually assaulted and you did not follow these guidelines, the assault is still not your fault.
• Know your sexual limits and communicate them clearly.
• Avoid the use of substances, including alcohol that may cloud your judgment of a situation or a person. If you should choose to use alcohol or drugs, please be aware of your limits and develop a safety plan before engaging in an activity.
• Be assertive and confident. Confrontational words and behaviors can effectively deter some assailants.
• When someone pressures you sexually, don’t be afraid to say “No.”
• Be as direct as possible about your intentions/expectations. If you feel you are being misinterpreted, restate your position.
• Have a heightened awareness of your surroundings, particularly in new or unfamiliar situations.
• Try to determine potential threats or challenges to your personal safety and mentally prepare yourself for a variety of intervention strategies: make a scene; alert a friend; leave the situation, etc.
• Trust your intuition. If a particular person or situation makes you feel uncomfortable, unsafe, or uncertain, choose an alternative.
• IF YOU DECIDE TO FIGHT BACK, remember that the vulnerable targets of an assailant’s body are the eyes, nose, throat, stomach, and groin. However, please be aware that physical resistance is not always a wise option, as it may further aggravate the assailant.
• Never leave your beverage unattended or accept a drink from an open container. When you go to a party or club, go with a group of friends. Arrive together; watch out for each other; and leave together.
• Don’t be afraid to “make waves” if you feel threatened. If you feel you are being pressured or coerced into sexual activity against your will, don’t hesitate to state your feelings and get out of the situation. A few minutes of social awkwardness or embarrassment are better than the trauma of a sexual assault.

Because sexual misconduct can have serious social, academic, and legal consequences for the perpetrator as well as the victim, reduce your risk of committing a sexual offense by following these simple rules:
• Avoid use of substances that may cloud your judgment. Also, avoid sexual activity with someone whose judgment is impaired by drugs or alcohol.
• Be aware of others’ limits and expectations. Respect their boundaries.
• If someone says No to your sexual advances, recognize that it is not a rejection of you as a person.
• Make sure you have a person’s complete consent before engaging in sexual activity. Never pressure or force a person to have sex.
• If you feel you are getting “mixed messages” from a potential sex partner, ask for clarification. Pay attention to verbal indicators, tone of voice, body language, etc. If any one of these things indicates reluctance or uncertainty, STOP and walk away. Know that a person who initially desires sex has the right to change their mind at any time, and you are obligated to respect that decision. While you may not be able to control your sexual desires, you ARE able to control your actions.
• Don’t assume that a person wants to have sex with you just because they dress provocatively or flirt with you. Also, don’t assume that just because a person has had sex with you before, they are willing to have sex again.
• Realize that a person can consent to kissing or other sexual activity WITHOUT consenting to intercourse and/or oral sex.
The following are summaries of some of the laws in Kentucky relating to sexual offenses and stalking.

**First Degree Sodomy:** A person is guilty of first degree sodomy when he/she engages in deviate sexual intercourse with another person by forcible compulsion or engages in deviate sexual intercourse with another person who is incapable of consent because he/she is physically helpless or is less than 12 years old. 2) A criminal complaint is currently pending by the same victim, and the perpetrator has been given actual notice of the complaint; or

**GRIEVANCE POLICY FOR TITLE IX DISCRIMINATION ISSUES**

**Non-Discrimination Committee**

The President of the College will appoint a Non-Discrimination Committee. The members of this committee will serve a two-year term. The committee will consist of one faculty member, one staff member and one student (the Director of Disability Services, the Title IX Coordinator and the Age Act Coordinator cannot be members of this committee). The committee performs two major functions: (1) oversight of disability accommodations and (2) hearing unresolved ADA, Title IX or Age Act grievances.

At least once a year the committee will investigate a random sample of disability cases (students and staff). The committee will report the results of their investigation directly to the President of the College. Their report will include recommendations for improvements.

**Complaint Process**

A student or employee who alleges a Title IX or Age Act violation may file a complaint with the Coordinator.

*The Title IX and Age Act Coordinator is:*

Jerry L. Garner, J.D., MSc  
Barnard-Jones Administration Building  
Kentucky Wesleyan College  
3000 Frederica Street  
Owensboro KY  42301  
270-852-3113

A student grievance is a formal complaint filed by an individual enrolled in the college. An employee grievance is a formal complaint filed by an individual who is on the college’s payroll. Either individual may file a complaint. Issues that are grieved, include, but are not limited to:

- Denial of accommodations that have been requested;
- Insufficient accommodations,
- Gender inequities, OR
- Age discrimination.

The following steps explain the procedure:

1) A complaint must be filed in writing with the appropriate coordinator, contain the name and address of the person filing it, and briefly describe the alleged violation.

2) A complaint must be filed within 30 days after the complainant becomes aware of the alleged violation.

3) If the complainant agrees (in writing), the coordinator may attempt to informally resolve the grievance. If the grievance is not resolved to the satisfaction of the complainant in 10 days, the matter will be investigated (step #4).

4) An investigation shall follow the filing of the complaint. The Coordinator shall conduct the investigation. These rules allow for an informal, but thorough investigation, affording all interested persons and their representatives, if any, an opportunity to submit evidence relevant to a complaint.

5) A written determination as to the validity of the complaint and a description of the resolution, if any, shall be issued by the Coordinator and a copy forwarded to the complainant and the President no later than 15 business days after its filing.

6) The Coordinator shall maintain the files and records relating to complaints filed.

7) The Coordinator will gather all the documents relating to the investigation and submit the documents with a summary of the case to the Non-Discrimination Committee within 15 business days.

8) A hearing will be held within 10 business days of the committee receiving the information.

9) The Non-Discrimination Committee will issue a decision within five business days of hearing the complaint.

10) The complainant can request an appeal of the case in instances where he or she is dissatisfied with the resolution. The request for appeal should be made within five business days to: Chair of the Board of Trustees, Kentucky Wesleyan College.

11) The right of a person to a prompt and equitable resolution of the complaint filed here under shall not be impaired...
by the person’s pursuit of other remedies such as the filing of a complaint with the responsible federal department or agency. Use of this complaint procedure is not a prerequisite to the pursuit of other remedies.

12) These rules shall be construed to protect the substantive rights of interested persons, to meet appropriate due process standards and to assure that Wesleyan complies with the ADA, Section 504, Title IX, and the Age Act. The Chair of the Board of Trustees will appoint the Appeals Committee. This committee will hear all appeals related to ADA, Section 504, Title IX, and the Age Act. The committee is composed of one student, one faculty member, one administrator/staff member and one trustee. The Chair of the Board of Trustees appoints one of the Committee members as the Chair of the Appeals Committee.

**Appeals Committee**

1) Within 10 days of the appeal request, the Chairperson of the Appeals Committee will begin the hearing and take whatever action is necessary to ensure an equitable, orderly, and expeditious hearing. As presiding officer, the Chairperson may remove anyone not complying with the rules and/or disrupting the hearing. Only clearly relevant and substantive evidence will be allowed.

2) Legal, procedural rules of evidence will not be used in the appeals hearing.

3) All members of the Appeals Committee, the complainant and the alleged violator of the ADA, Section 504, Title IX, or the Age Act may examine all available evidence and question all witnesses.

4) The student and/or employee may bring a representative; however, it is not a requirement. The student and/or employee, or their representative may ask questions if necessary.

5) Witnesses will be heard one at a time, and may be excused from the hearing by the Chairperson after testifying.

6) After all available evidence and witnesses have been examined and questioned, all persons except members of the Appeals Committee must leave the room.

7) Within 30 days of the beginning of the hearing, members of the Appeals Committee will then make a determination of the appeal and render a written decision to the complainant and to the Chairperson of the Board of Trustees.

Within two business days of the determination, a copy of the final resolution resulting from the complaint procedure shall be provided to the appropriate officer in the school where the violation has occurred and to the Human Resources Department. This decision will be the final outcome of the Kentucky Wesleyan College Non-Discrimination process.

WHISTLEBLOWER POLICY

Wesleyan employees, students, and related community members are responsible for reporting illegal or dishonest events involving Wesleyan employees, students, or resources. If the event is illegal, it should be reported to the proper authorities. If the event is contrary to a Wesleyan policy or its mission, it should be reported according to the applicable policy. If a policy is not in place to address the specific issue, it should be reported to a member of the President’s Cabinet, the College President, or the College Hot Line at 270-852-3199.

A person who in good faith reports an activity or event that he or she reasonably believes to be illegal or dishonest is called a “whistleblower.” When reporting alleged events, the Whistleblower must provide enough information to justify an investigation. Examples of specific information include a thorough description of the event, who was involved, who knew about it, what specifically happened, when and where it happened, and if it is still ongoing. While the College allows anonymous reports, it encourages whistleblowers to include their names so that appropriate follow-up questions may be asked. Without sufficient information, an investigation will not be conducted.

If the reporting individual or Whistleblower requests that his or her identity remain confidential, the request will be respected to the extent that doing so does not impede the investigation or is not required by law or law enforcement officials. The College cannot guarantee complete confidentiality. Whistleblowers should be aware that their public testimony may be needed to prove a case against a reported employee or related community member.

Wesleyan prohibits retaliation against an employee, student, or related community member who makes a whistleblower report. This policy also extends to employees, students, and related community members who assist in the investigation of such a report. Retaliation means to take direct and intentional action to negatively impact the whistleblower’s conditions of employment or enrollment in retribution for reporting an event. A whistleblower who believes that he or she has been retaliated against may file a written complaint with the President and the Chair of the Wesleyan Board of Trustees. If the retaliation is proven, the person or persons involved may be subject to disciplinary action, up to and including termination.

WITHDRAWAL FROM THE COLLEGE

By electing to register for courses at Kentucky Wesleyan College, students become financially liable for all associated tuition and fees. If a student decides they do not desire to attend Kentucky Wesleyan College, they must officially withdraw. To withdraw officially from Kentucky Wesleyan College, the appropriate withdrawal form (obtained from the Registrar’s Office) must be completed, signed, and returned to the Registrar’s Office. The effective date of withdrawal is the date on which the notification is received in the Registrar’s Office. UNLESS the student has failed to attend classes in which case the last date of academic event will be used to determine the withdrawal date.

If the student withdraws after the no-penalty date, a pro-rated adjustment in charges and financial aid will be made based on the number of registered days. After 60% of the enrollment term, no adjustments are made, which is congruent with the federal financial aid adjustment schedule. Please see the Financial Aid section of the Academic Bulletin for more details. Based on the adjusted charges and financial aid, the appropriate refund of payment or billing for outstanding balance due will be mailed to the student’s home address within fifteen working days of the withdrawal.

Failure to properly withdraw means the forfeit of all rights to an adjustment of charges and a grade of “F” may be recorded for all courses.
