

Dear Student,

As you may already know, Kentucky Wesleyan College ("KWC") has partnered with [EverFi](#), whose mission is to help students address critical life skills such as alcohol abuse prevention, sexual assault prevention, and financial literacy in higher education institutions across the country. Each year over 1,500,000 students (and faculty and staff) complete these courses.

As part of our comprehensive prevention program for new students, KWC requires you to complete AlcoholEdu (alcohol use/abuse) and Haven (sexual assault/harassment) online training. This online education will empower you to make well-informed decisions about issues that affect your years at KWC and beyond.

This training is **REQUIRED** and will account for 10% of your grade in your freshman seminar course, KW 101.

**PLEASE READ THE FOLLOWING CAREFULLY:**

To fulfill KWC's training requirement:

- Go to: <http://www.everfi.com/login> and click Register
- Under "Student/Learner", enter the Registration Code: **67d7310e** to create your EverFi Account
- Complete Part 1 of both courses by **August 20, 2016**
- (Note: After this date, you will receive a second request to complete Part 2 of both courses, which must be completed by October 12, 2016.)

Other Important Information:

- You will need Internet access and audio capabilities.
- To avoid technical issues, please use any major web browser (e.g., Firefox, Internet Explorer, Google Chrome) released within the previous two years.
- **You may take the course in multiple sittings.**
- The course may include surveys to help personalize your experience and measure participants' attitudes and behaviors. **All survey responses are confidential;** the school will only receive information about the participant group as a whole and will never see individual answers.
- **Should you experience problems, technical support is available 24/7 and can be accessed from the "Help" link within the course.**

Thank you, and enjoy the course!

Associate Professor Jerry L. Garner, J.D., MSc (astronomy)
