Transcripts

All secondary school and college/university level transcripts must be submitted for review. The transcripts must be official and in your native language. You will also need to provide another official transcript that has been translated into English by your secondary school or college/university. (*PHOTOCOPIES, SCANNED IMAGES OR FAXES WILL NOT BE ACCEPTED*).

College/university transcripts from institutions outside of the United States will be evaluated for transfer credit. To insure that you receive the most transfer credit possible, you may choose to have your transcripts evaluated by a professional credential evaluation agency. Kentucky Wesleyan College recommends World Education Services (WES). Please visit the WES website at www.wes.org for details and instructions and list Kentucky Wesleyan College as the receiving institution.

ACT/SAT Scores

Request that your ACT (code 1518) or SAT (code 1369) scores be sent to Wesleyan. If your scores are on your high school transcript, we consider that official.

To order an official score report, please contact:

www.act.org or (319) 337-1313.

<https://collegereadiness.collegeboard.org/sat/scores> or (866) 756-7346.

English Proficiency

International students are required to submit an exam score that meets Wesleyan's minimum English proficiency requirement. **Exception:** International students whose primary **and** secondary education took place in Australia, Canada (English-speaking provinces), United Kingdom, Ireland, New Zealand, or the U.S. are exempt from this requirement; however, you will be required to submit a 500-word essay to prove your English proficiency. Students born in one of these countries yet educated elsewhere are still required to satisfy the English proficiency requirement.

We accept official IELTS or TOEFL results from the testing headquarters. The minimum IELTS score of 70 or the minimum TOEFL score of 70 (iBT) or 520 (paper-based) is required for admissions to Kentucky Wesleyan College.

Ability to Pay

A bank statement on bank letterhead is required. We will accept scanned or faxed copies of the official bank statement or an original bank statement. An available balance of our *Cost of Attendance* less any institutional aid is required. Receiving Your I-20

After you are admitted and upon receiving your deposit, Kentucky Wesleyan College will mail you your I-20 and a receipt for your deposit.

Receiving Your F-1 Visa

You must have an F-1 visa to study at Kentucky Wesleyan College. There are several steps to apply for a visa. The order of these steps and how you complete them may vary at the U.S. Embassy or Consulate where you apply but will include the following:

- Complete the online visa application, Form DS-160 at <https://ceac.state.gov/genniv/>. Print out the application from confirmation page to bring to your interview.
- Schedule an appointment for your visa interview, generally, at the U.S. Embassy or Consulate in the country where you live. Wait times vary by location, season and visa category, so you should apply for your visa early.
- Visas can be issued up to 120 days in advance of your course of study start date. However, you will not be allowed to enter the United States earlier than 30 days before your start date.
- Pay the non-refundable visa application fee, if you are required to pay it before your interview. When your visa is approved, you may also pay a visa issuance fee, if applicable to your nationality.
- Gather required documentation to take to your visa interview.
 - Passport; which must be valid for at least six months beyond your period of stay in the United States.
 - Form DS-160 confirmation page.
 - Application fee payment receipt (if required to pay before interview).
 - Form I-20 and deposit receipt from Kentucky Wesleyan College.
 - I-901 printed confirmation.

Coursework

Once your deposit has been received, an academic advisor from Kentucky Wesleyan College will correspond with you via email to register you for classes. You must enroll in a minimum of 12 hours. However, in order for a first-time freshman to graduate in four years, a student must enroll in 15 hours per fall and spring semesters. Please note only one online course per semester is permitted (Federal policy). Additionally, online courses are only offered to students who have completed 30 hours of coursework (College policy). If you ever need/want to drop below 12 hours during a semester, you must contact the PDSO or DSO to get permission before doing so. A professor, an advisor nor anyone else at Kentucky Wesleyan College can grant you permission to drop below 12 hours.

ARRIVING IN THE STATES

With a valid passport, your I-20 and your valid visa, you may enter the states within 30 days of the first day of class at Kentucky Wesleyan College. Residence Halls will open about a week before classes begin. All First year students must be present for new student orientation. All transfer and returning students must arrive by the check-in date unless prior approval has been obtained through the Admissions Committee. If you have not arrived by the last day of census, your I-20 will be cancelled.

International Student Orientation

Approximately two weeks after classes begin; you will be invited via school email to attend International Student Orientation. This is a very informative one-hour session that you are required to attend each semester. Please bring your I-20, passport, and visa.

Employment and Other Benefits While in the States

A student must obtain a Social Security number (SSN) in order to work or drive in the United States. Please visit the DSO or PDSO at Kentucky Wesleyan for instructions in obtaining a SSN or driver's license. You must wait a minimum of ten days after arriving in the United States to apply so that your I-94 information can update in all the government systems.

There are limited work opportunities available in the United States for F-1 students. For this reason, before coming to the United States you must prove you have the financial ability (e.g., present bank statements) to pay for tuition and living expenses while studying. If you decide that you want to work, the first step is to always talk with your DSO here at Kentucky Wesleyan. On-campus employment is allowed but not always available. Examples of on-campus employment include working at our spirit store (Panther's Den) or our cafeteria. If you are offered employment on-campus, you must talk with your DSO before beginning.

The U.S. government takes working illegally very seriously. If you work without permission, we must report it through SEVIS, your I-20 will be terminated, you will have to leave the United States immediately, and you may not be allowed to return.

Off-campus employment is prohibited unless a student has completed at least one full academic year of their program of study AND has an economic hardship that qualifies for the Department of Homeland Security's emergent circumstances.

Optional Practical Training (OPT)

OPT is a form of training, often paid, that directly relates to your program of study. You can apply for OPT during your program of study, which is now a pre-completion OPT, or after you finish your program of study, known as post-completion OPT. Pre-completion OPT is limited to 20 hours per week while school is in session, but can be full-time during breaks and annual vacation.

You can apply for 12 months of OPT at each education level, (i.e., you may have 12 months of OPT at the bachelor's level and another 12 months of OPT at the master's level). If you are a student earning a degree in science, technology, engineering or math (STEM), you may be eligible for the STEM OPT extension. For more information, visit your DSO.

In order to apply for OPT, students must request approval from their DSO. A DSO makes this recommendation in SEVIS and by endorsing a student's Form I-20. The student must then file the form I-765 and supporting documents with U.S. Citizenship and Immigration Services (USCIS) and if approved, USCIS will issue a Form I-766, "Employment Authorization Document." You cannot begin your training until you receive your authorization from USCIS.

Curricular Practical Training (CPT)

CPT is an alternative work/study, internship, cooperative education or other type of required practicum that a sponsoring employer offers through cooperative agreements with Kentucky Wesleyan College. CPT must be integral to your program of study; however, unlike pre-completion OPT, CPT can be full time and is not restricted by a weekly 20-hour work limit.

In order to qualify for CPT, you must have completed one full academic year of study. Students who complete one year or more of full-time CPT are ineligible to participate in post-completion OPT. To get permission for CPT, your DSO needs to authorize it and provide you with an updated Form I-20.
