Dear KWC Graduates:

Lake's Photography is pleased to announce that we have been named the sole photographer for Kentucky Wesleyan College's graduation ceremonies on April 24, 2021.

The College has taken this step to eliminate some of the distractions that can occur and to allow you to fully enjoy this very special occasion in your life. Furthermore, as professional photographers we can assure you we will be in the best position to capture on film the moment the diploma is received.

Lake's Photography will be taking pictures both before (formal portrait with background) and during (receiving diploma) graduation. If you have any questions, please give us a call. Congratulations on your achievement!
