

Automatic External Defibrillators

Our Campus has 7 Zoll Defibrillators and they are located in the following areas:

Yu Hak Hahn Science Center- 1st floor between men's and women's bathroom

Administration Building -1st floor to the left of the elevator

Winchester Center -behind the security desk

Massie Hall (dorm) 1st floor main hall closest to the quad side

Peeples Hall (dorm) -1st floor in the lobby by the RD apartment

Kendall Hall (dorm)- 1st floor in the lobby by the RD apartment

Deacon Hall (dorm)-1st floor, by quad doors

USE OF AUTOMATED EXTERNAL DEFIBRILLATOR (AED)

Automated External Defibrillators are portable and designed to create an electric shock to a heart that has stopped beating.

When responding to a person in cardiac arrest:

STAY WITH THE INDIVIDUAL AND CALL OUT FOR HELP!

Call or have someone call - 911

If someone is available to help and they are trained in CPR assist them as needed.

If there is no one available to help, follow the instructions on the AED.
