About Wesleyan

For more than 150 years, we have served students in the liberal arts tradition, and for the next 150 years at Kentucky Wesleyan, students will learn to think critically, communicate effectively and live ethically in a complex, rapidly changing world.

The success of every student is our top priority. Every course we offer and every experience in our unique online programs leads you to one goal – graduation.

Kentucky Wesleyan offers a flexible and personalized online program, but at an affordable cost. With competitive tuition rates for its online degree programs, you will earn your degree in a cost-effective manner!

Psychology

Unlock the mind with Kentucky Wesleyan.

Psychology majors at KWC take many interesting courses exploring human behavior, abnormal psychology and the applications of psychology in various fields such as counseling psychology, health psychology and forensic psychology.

A psychology major provides students with an excellent background for applying to graduate school in psychology and ultimately becoming a practicing psychologist. A bachelor's degree in psychology is also good preparation for careers in fields such as business, law and social work.

Earn your degree in Psychology 100% online

Complete your degree in two years with transferrable general education courses

You will be prepared for careers around the world – both in the public and private sector

Apply for free! Kentucky Wesleyan's application is **FREE**. No entrance exam required.
