So far this fall, we have experienced dramatic enrollment growth, a new president, recent national recognition, and the first phase of the renovation of Kendall Hall.

This is the 4th year to send our monthly Parent Newsletter and we're excited to share our campus news with you. Barton D. Darrell Named President of Kentucky Wesleyan College

Owensboro, Ky. (Sept. 4, 2014) - Kentucky Wesleyan College Board of Trustees Chairperson Tom Grieb announces the appointment of Barton D. Darrell as the thirty-fourth president of Kentucky Wesleyan College. Darrell has served as vice president of external services at the College with responsibility for development, admissions, financial aid, alumni relations and public relations functions since October 2013. He is a 1984 graduate of Wesleyan, and he earned a juris doctor from the University of Louisville School of Law in 1987. He served the College as a trustee and as a member of the Executive Committee of the Board of Trustees, as president of the Alumni Association and as an adjunct professor of business law.

“In his 11 months as vice president, Bart Darrell has been decisive, focused and results-driven,” remarked Grieb. “He offers tremendous commitment and positive energy, along with great passion for our heritage, and most of all, for our students and their needs. He is a natural leader who acts on his strongly held obligation to help others succeed. Bart has deep roots at Wesleyan that will grow and flower.”

Darrell was associated with the law firm of Bell, Orr, Ayers & Moore in Bowling Green, beginning in 1987. He became a partner in 1991. Darrell has represented school districts throughout Kentucky, including the Daviess County Public Schools and the Warren County Public Schools, where he served as general counsel. He has served as president of the Bowling Green-Warren County Bar Association, as a member of the Board of Directors of the Bowling Green-Warren County Chamber of Commerce, a founding director of the board of the Southern Kentucky Performing Arts Center, chairman of the board for the American Red Cross, a member of the Governor’s Advisory Council for Volunteer Services, a member of the board of Leadership Kentucky and in numerous other public service capacities. Darrell was also appointed by the governor to serve on Kentucky’s Council on Postsecondary Education for four years and was the vice-chair in 2004.

Darrell was named “Kentucky’s Outstanding Young Lawyer” by the Kentucky Bar Association and one of forty “New Leaders for the 21st Century” for Kentucky by the Louisville Courier-Journal, Lexington Herald-Leader and the Shakertown Roundtable. He received the “Gwen Davis Award” from the Bowling Green-Warren County Bar Association for his commitment to public service and community spirit and the “Clara Barton Honor Award for Meritorious Volunteer Leadership” by the American Red Cross.

His father, Dr. Bob Darrell, is a professor emeritus of English at Kentucky Wesleyan College, where he taught from 1969 – 2000. The Darrell PLUS Center, which offers tutoring, workshops and individual assistance to students, is named in his honor. His mother, Nelda Peeples Darrell, was a lifelong educator. The Nelda Peeples Darrell Stage in Hager Hall at the Ralph Center on campus is named in her memory. His maternal grandfather, Dr. Cecil Peeples, was a United Methodist minister and the president at Lon Morris College, also a Methodist institution, in Jacksonville, Texas, from 1935 – 1973.

“My grandfather was my hero. He led with integrity, vision, faith and enthusiasm,” said Darrell in accepting his appointment as president. “I am deeply honored and humbled to serve, and I am very grateful for the solid foundation laid by Dr. Turner. Together our faculty, administrative team, trustees, alumni and community will build on that foundation.”

A news conference to introduce Barton D. Darrell as president of Kentucky Wesleyan College was held on Tuesday, Sept. 9, in Rogers Hall at the Winchester Center.

Kentucky Wesleyan Earns High Ratings from Washington Monthly and U.S. News

Owensboro, Ky. (Sept. 10, 2014) – “Our Washington Monthly ranking among the nation’s top 50 baccalaureate colleges is a great honor and confirms the great scholarship and student growth at Kentucky Wesleyan College,” stated President-Elect Barton Darrell. Wesleyan is one of two Kentucky institutions ranked in the nation’s top 50 as a Best Baccalaureate College by Washington Monthly. The ratings are based on the college’s contribution to the public good in recruiting and graduating low-income students, producing cutting-edge scholarship and encouraging students to give something back to their country.

U.S. News & World Report ranked Kentucky Wesleyan nationally as a Best Online Bachelor’s Degree institution, one of nine Kentucky colleges and universities honored with this rating. “Additionally, our selection as one of the Kentucky colleges recognized for high quality online degrees demonstrates the college’s ability to supplement our online learning and experience with current technology to provide high caliber online education,” remarked Darrell.

Wesleyan was also ranked in the top 35 colleges and universities in the South as a Best Regional College. U.S. News gathers institutional data on a number of indicators of academic quality and ranks colleges against peers in their region, based on composite weighted scores. “We are, of course, so proud of our U.S. News Best Regional College designation, a ranking we have been pleased to receive for many years,” said Darrell. “These rankings are significant because they are based on measurable standards and determined by experts in higher education. They reflect the work of great faculty, administrative staff and students. Kentucky Wesleyan is proud to report them to our current and future students, their families, our alumni and the general public.”

President Craig Turner said of the announcements, “Our Washington Monthly designation in the nation’s top 50 as a Best Baccalaureate College, and with U.S. News as one of nine Kentucky institutions with a Best Online Bachelor’s Degree rating are particularly significant and satisfying. We also welcome the U.S. News Best in the South rating, which we have achieved repeatedly over the years. Each ranking reflects measurable standards from prestigious organizations, and we are thrilled.”
