

Staff Council Meeting  
Minutes  
June 2, 2022

The meeting was called to order by Summer Aldridge.

Josh Baldwin gave the invocation

Meeting attendance:

Summer Aldridge

Ken Badylak

Josh Baldwin

Peggie Greer

Kim Johnson

Mike Parks

Shiloh Young

Absent: Kate Douglas, and Rebecca Francis

Minutes were approved from the last meeting

Beginning with this meeting we will begin to have an agenda. This will help keep us focused on our business for that meeting. Summer will work with Peggie before every meeting to construct the agenda.

Old Business

Summer went over the Staff Survey. Below are the results.

Participation: 62% (81/130). We felt this was an excellent response.

The Parental Leave Policy will be presented to the Board at the September meeting. Dr. Mitzel would like to introduce the thought before presenting the proposal, which will be done at the June Board Meeting.

Staff Engagement is the next item the council discussed. Since COVID is not a prevalent we can begin to have more social interaction. Shiloh Young agreed to help Kate Douglas arrange some events.

The council would like to see the administration give us a small budget to use for gatherings.

Staff Lounge was another thing staff would like to see happen. Josh Baldwin agreed to work with Scott Kramer to find a suitable place (not the basement in the Administration Building).

In our new business we discussed opening our meetings up to all staff. It was decided we would try having two meetings per year open and see how it goes.

IT has agreed to set up a Staff Council email account so anyone wishing to contact the council will be able to send using this account.

We agreed to meet every other Wednesday at 1:00 in the Cox Conference Room.

There being no further business Ken Badylak made a motion to adjourn and Tony Hardesty seconded.

Submitted by,

Peggie Greer
