## **TRANSFER PATHWAY GUIDE 2019-2020**

### **Associate in Science to Bachelor of Science degree in Business Administration (Online)**

#### ***Overview***

Completion of the following curriculum will satisfy the requirements for the Associate in Science degree at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Business Administration through the online degree completion program at Kentucky Wesleyan College.

#### ***Admission Requirements***

Students interested in transferring to Kentucky Wesleyan College, both on campus and online, should submit a free application for admission and submit transcripts of all college-level work completed. Students that have successfully completed 24 hours of college-level work or more will be reviewed for admission based on those credentials. Other requirements apply for transfer students with less than the above requirement. Specific questions should be directed to the Office of Admissions at Kentucky Wesleyan College.

#### ***Degree Requirements***

Please note while some 200 level courses at KCTCS meet 300 level course requirements at KWC, 200 level courses will not meet the upper level hour requirements for the bachelor's degree. For example, BAS 256 International Business may transfer to meet the BA 360 International Business course at KWC, but it will not transfer as a 300 level course and will not be part of the 42 hours of upper level credit for the BS degree.

#### ***General Transfer Requirements***

Kentucky Wesleyan College offers rolling admission and encourages students to apply and respond to an academic advisor as early as possible in the transfer process. Information from the FAFSA will be used to create estimated financial plans for students as soon as all information is made available to the College. We are committed to providing each student with all the necessary information to make their best decision and are committed to being trusted partners to aid students in achieving their academic and career goals.

Please note that the maximum number of hours that can be transferred and applied to a degree is 60. Transcript evaluations are done to maximize the courses selected within this 60 hours to provide the most benefit to meet student bachelor's degree requirements in their selected major.

## KCTCS AS to Kentucky Wesleyan College BS in Business (online) Checklist

### Kentucky Community and Technical College System

#### Category 1: KCTCS General Education Core Requirements (33 hours)
